WILLIAM BURTON BLUME, age 18, was located and interviewed at his residence, 2851 North Lake Avenue. BLUME, a senior at John Muir High School, Pasadena, advised that he and a friend, one DAVID VOGEL, 1678 Casitas Street, Pasadena, attended a reception for Senator ROBERT F. KENNEDY on the Palm Terrace of the Ambassador Hotel from the hours of 8:30 p.m. and 10:00 p.m., Sunday, June 2, 1968.

BLUME explained that approximately three months ago he and his friend, VOGEL, joined the KENNEDY for Youth Campaign headquartered in Pasadena, and have assisted the Senator in his campaign in and around the Pasadena area since that time.

BLUME stated that as he and VOGEL proceeded across the main lobby toward the doors leading into the Palm Terrace in the Ambassador, an individual whom he had formerly been acquainted with passed by him at a distance of approximately three feet. He stated that he immediately recognized this individual as a former employee of the Organic Pasadena Food Company, which is located next to his own former employment, the Show Case Liquor Company, 1374 North Lake Avenue, Pasadena. BLUME explained that while employed at the Show Case from December 1967 through March 1968, he frequently had occasion to observe the aforementioned individual in and around the store and received the impression that he was working as a stock boy.

BLUME related that after passing this individual in the main lobby of the Ambassador, he turned toward VOGEL and may have commented to him with words to the effect "I know that guy", and then continued into the Palm Terrace to await the arrival of Senator KENNEDY. BLUME related that he did not have occasion to see this same person throughout the remainder of the evening and thought no more

of the incident until the day following the shooting of Senator KENNEDY when photographs of SIRHAN SIRHAN were shown on television

He advised that at that point he immediately realized that the person whom he had seen on the evening of June 2, 1968, in the lobby of the Ambassador Hotel was unquestionably SIRHAN.

He stated that he immediately discussed the matter with his mother after which they both concluded that this information might be of assistance to the Los Angeles Police Department and/or the FBI.

BLUME stated that during his four months employment at the Show Case Liquor Company he casually greeted SIRHAN with a brief salutation but never entered into any lengthy discussions with him. He stated that from a distance he formed the opinion that SIRHAN was a quiet, introverted and intelligent person who did not appear to want to cultivate friendship with him.

At that point in the interview, BLUME furnished the following-signed statement in his own hand:

"Altadena, California
June 10, 1968

"I, William Burton Blume of 2851 North Lake Ave., Altadena, hereby furnish the following voluntary signed statement to Special Agent Norbert R. Linker of the Federal Bureau of Investigation.

"I am 18 years of age, single and will graduate from John Muir High School on 6/13/68. In my spare time I have been active in the Youth for Senator Kennedy campaign in the Pasadena, California area.

"On Sunday, 6/2/68, a friend, David Vogel, and I attended a reception for Senator Robert Kennedy held on the Palm Terrace of the Ambassador Hotel, Los Angeles, between the hours of 8:30 p.m. and 10:30 p.m. As Vogel and I approached the doorway off the main lobby of the Ambassador which leads onto the Palm Terrace, I observed an individual whom I immediately recognized as a onetime employee of the Organic Pasadena Food Company of Pasadena, California. This individual went by me from the opposite direction at a distance of approximately three feet. As he passed I turned at which time I noticed that he was alone and appeared to be wearing a sportshirt and green trousers.

"On turning back in the direction of the Palm Terrace I may have commented to my friend, David Vogel, that I knew the man that just passed, but I am not sure of this point.

"At approximately noon, 6/5/68, I was en route home in my car and was listening to a Mr. John Weidner, the owner of Organic Pasadena Food Company being interviewed on radio. Mr. Weidner was identifying Sirhan Sirhan as a former employee of his concern.

"I would like to point out that I was employed as a stockboy at the Showcase Liquor's at 1374 North Lake, Pasadena, from December, 1967 through March, 1968. The Showcase Liquor Company adjoins Organic Pasadena Company. During my four months of employment I frequently observed a person later known to me as SIRHAN SIRHAN working in and around Organic Pasadena.

"When Sirhan Sirhan's photographs were shown on television on the evening of 6/5/68, I immediately recognized him as the person who passed me at the Ambassador Hotel on the evening of 6/2/68, as well

as being the person whom I had worked next door to at Showcase Liquor from December 1967 to March 1968.

I have read this statement consisting of three pages and find it to be true and correct.

BLUME advised that DAVID VOGEL, a fellow senior at John Muir High School, may recall the fact that as SIRHAN passed them he turned toward VOGEL and commented with words to the effect "I know that guy".

Additionally, BLUME advised that subsequent to the shooting of Senator KENNEDY, he had occasion to talk to Mrs. SHIRLEY MC CONNEL, the mother of a fellow classmate of his, SUSIE MC CONNEL, age 18. He advised that during this discussion Mrs. MC CONNEL related that she had heard a rumor that a Mr. JOSEPH E. JACOBS of 2149 North El Molino, Altadena, California, was understood to have regularly driven SIRHAN BISHARA SIRHAN to either John Muir High School and/or Pasadena City College. BLUME related that according to Mrs. MC CONNEL, JOSEPH E. JACOBS was understood to have had a middle eastern background and may possibly have been related to SIRHAN.

On June 18, 1968, MUSTAFA BAHTISHI, 423 West Glendon Way, San Gabriel, California, who is employed at the Fluor Corporation, 6045 East Slauson Boulevard, Los Angeles, advised he did not know SIRHAN SIRHAN, had never met him, and the only person he knew who might possibly know him was SPEAR SAYEGH, a Christian Jordanian who works for the GPS Pharmacy on Las Tunas Boulevard in Temple City. He stated SAYEGH heads a charitable organization, called the U. S. Omen, which raises money and sends it to charities in the middle east. BAHTISHI denied making any anti-KENNEDY statements in connection with the assassination of Senator KENNEDY. He stated Senator KENNEDY was generally well regarded by Arabs in connection with his stand in the Middle East, and because of the position of his brother, President JOHN F. KENNEDY, had taken. He stated all the Arabs he knew felt badly about the action of SIRHAN SIRHAN, as it reflected on them. He pointed out that emotional statements might have been made by people concerning Senator KENNEDY because this is an election year, but was sure such statements would be made concerning politics, rather than concerning the individual. He knew of no anti-KENNEDY statements which had been made.

BAHTISHI denied belonging to any Arab club, but stated he was aware there were such clubs on the campus at the University of Southern California and at the University of California at Los Angeles. He said he understood the Organization of Arab Students which had been active on the campus at California State College, Los Angeles, had been disbanded. He stated the primary purpose of the clubs was to provide a social outlet and orientation for arriving Arab students, and had no political purpose of which he was aware. He stated such clubs usually had a faculty advisor.

BAHTISHI stated he had attended Pasadena City College on an irregular basis, taking a class or two at night, in the Fall of 1965 and the Spring of 1966. He stated he never met or knew SIRHAN through this attendance.

BAHTISHI stated the name MUSTAFA was another name for MUHAMMAD, and was a very common Arabic name as a result.

CHARLES WILLIAM HENEBRY, 12000 La Manda, Los Angeles, California, telephone 390-3020, retired, advised the following:

Mr. HENEBRY claimed that he was formerly employed in the Foreign Service by the United States Department of State at Washington, D.C., for a period of 16 years and was given a disability retirement on December 31, 1966 due to health. He had been given general assignments and had worked in the Visa Office and Ammunition Controls. He had spent a number of years on assignments in the Middle East, particularly in Iraq.

During the past few weeks, Mr. HENEBRY had been a volunteer worker for the Senator ROBERT F. KENNEDY campaign at the latter's Los Angeles headquarters at 5615 Wilshire Boulevard.

Following the shooting of Senator KENNEDY, and the arrest of SIRHAN SIRHAN charged with shooting the senator on June 5, 1968, there had been some speculation among former workers in the KENNEDY Headquarters, now closed, that SIRHAN SIRHAN may have been at the headquarters as a volunteer worker within the past few days. He recalled specifically that ELLENORE SEVERSON who worked on the information desk and LARRY STRICK, a general assistant volunteer worker at the headquarters, had reported that they thought that they had observed a person closely resembling SIRHAN SIRHAN in the KENNEDY headquarters.

Photographs of SIRHAN SIRHAN taken by the Los Angeles Police Department on June 5, 1968, were exhibited to Mr. HENEBRY who said that while the photographs of SIRHAN SIRHAN looked like the young man he had seen at the KENNEDY headquarters within the last two or three days but he could not be positive.

Mr. HENEBRY mentioned that there had been a number of young people volunteer workers at the headquarters who

appeared to be of Middle East descent and that they had been brought into the headquarters by one KHAIBAR KHAN who had showed up there around June 1, 1968. KHAN, who claimed to be from Iran, had engaged Mr. HENEBRY from time to time in some conversation. KHAN spoke fluent English with a slight accent. He appeared to be about 55 years of age, male Caucasian, complexion not too dark, clean shaven, black hair, graying, five feet six inches to five feet seven inches, stocky build, wore long sideburns, strong facial features, dressed like a Hollywood film character actor. On one occasion Mr. HENEBRY noted him wearing a turtleneck sweater.

It was recalled that Mrs. MARGARET SWEENEY who handled the headquarters office had brought KHAN to Mr. HENEBRY and introduced him.

KHAN, on at least one or two occasions, was accompanied by a young female Caucasian, about 23 years of age, five feet four inches, dark hair, attractive. She appeared to have more Caucasian features than Middle East features. This girl, who was described as a sister by Mr. KHAN, was seated most of the day when working. She used modern aluminum crutches and held one leg up. This leg was not in a cast.

Mr. KHAN claimed that he had been flying around to various Senator KENNEDY Campaign Headquarters and mentioned that he had a crew of approximately 20 young people which he had brought to headquarters to work for Senator KENNEDY.

Mr. KHAN worked late at the headquarters on election day, June 4, 1968, and said that he did not think he would go to the campaign party at the Ambassador Hotel that night.

Mr. HENEBRY said that he could speak and understand Arabic and that while he did not have too much contact with Mr. KHAN, the latter seemed to be friendly because of their common knowledge of Middle East languages.

On the evening of June 5, 1968, Mr. KHAN called Mr. HENEERY at the latter's residence and discussed briefly the tragic event involving Senator KENNEDY and suggested that he, Mr. KHAN, and Mr. HENEERY go out to dinner. Mr. HENEERY declined and thought it somewhat unusual that KHAN would ask him out to dinner under the circumstances and on such short acquaintance. Mr. KHAN mentioned that he had to go to San Francisco on business and was expected to return to Los Angeles in a couple of days.

With respect to the young man at the KENNEDY Headquarters who somewhat resembled SIRHAN SIRHAN, Mr. HENEERY said that he was one of the group that had been brought in by Mr. KHAN but that this young man appeared to be too large for the description of SIRHAN SIRHAN published in the newspaper. Mr. HENEERY described the young man who resembled SIRHAN SIRHAN's photograph as being about 20 years of age, close to five feet ten inches in height, and weighing 150 pounds plus.

Mr. KHAN had asked Mr. HENEERY for the latter's name and address which had been furnished to him and Mr. KHAN had furnished an address at the headquarters of 10554 $\frac{1}{2}$ Wilshire Boulevard, Los Angeles.

Mr. HENEERY, following examination of a photograph of SHARIF BISHARA SIRHAN, taken December 18, 1963, and of ADEL SIRHAN, taken June 5, 1968, both brothers of SIRHAN SIRHAN, said he could not identify the photograph with any persons who had worked or been seen at the Senator KENNEDY Campaign Headquarters or elsewhere.

PHILLIP M. SMITH, SR., M.D., home address, 510 East Englander, Gardena, California, was interviewed at his office located at 8500 South Figueroa, Los Angeles, California, and furnished the following information:

Dr. SMITH advised that on June 4, 1968, he was watching Senator KENNEDY's victory speech on television with LEON RAPH, Assemblyman, 55th District at RAPH's Headquarters, located 103rd Street, near Willowbrook in Watts. Dr. SMITH advised that when it came on television that Senator KENNEDY had been shot, he and LEON RAPH immediately got into their vehicles and drove to the Ambassador Hotel. Dr. SMITH advised that he and RAPH arrived in the Ambassador Hotel at approximately 1 AM, on June 5, 1968, and immediately after arriving at the Ambassador went direct to the Presidential suite. He advised that when they arrived at the Presidential suite, he talked with CHARLES EVERS and ROOSEVELT GRIER, Football player for the Los Angeles Rams and Congressman REESE and several other individuals unknown to him. Dr. SMITH advised that there were no comments made about the shooting that he heard while at the Presidential suite other than several of the individuals were praying that Senator KENNEDY was not hurt bad. He advised that ROOSEVELT GRIER was setting in a chair and seemed to be in a trance and outside of saying hello he did not mention anything about the shooting which had happened earlier.

Dr. SMITH advised that he and LEON RAPH stayed at the Ambassador Hotel at the Presidential suite until sometime between 4 AM and 5 AM, because someone had come into the Presidential suite and stated that no one could leave. Dr. SMITH advised that he had not been questioned at the Ambassador Hotel by anyone and that between 4 and 5 AM it was evident that he or LEON RAPH could not be of any assistance so they departed the Ambassador Hotel and went home.

Dr. SMITH was shown a photograph of SIRHAN BISHARA SIRHAN taken June 5, 1968, Los Angeles Police Department No. 495 139 and advised that this individual was unknown to him.

On June 6, 1968, Lieutenant R.A. SLAGHT, Pomona Police Department made available a copy of a report pertaining to information furnished the Department by a Mr. LE BEAU, an employee of Robbie's Restaurant in Pomona.

GILBERT RICHARD LE BEAU, 1712 East Princeton Street, Ontario, California, telephone 986-2822, employed at Robbie's Restaurant, 390 Pomona Mall East, telephone NA 3-2671, was contacted at 7:10 PM on June 6, 1968, at Robbie's where he is employed as a bartender. Mr. LE BEAU stated that after watching news broadcasts regarding the attempt on Senator KENNEDY's life, the description of the suspect brought to mind a person that was present during the Senator's visit to Pomona.

Immediately upon seeing the suspected person's picture in the paper Mr. LE BEAU recognized the person to be the same as the man he had contact with at the restaurant. He stated he had positioned himself on the stairway leading to the room where the Senator was to give a luncheon speech. While at this location he observed the man identified as the suspect and a female companion climb over a planter at the location and approach the location he was guarding and began shoving against him and attempting to get past him and up the stairway that the Senator had just entered. Mr. LE BEAU stopped this motion by holding the female subject back, who was being pushed from behind by the suspect. The woman told him that "we are with the Senator's party and he just waved for us to come up". Mr. LE BEAU reluctantly allowed them to pass although they could not show any tickets to the affair.

His second contact with these people was when he observed them in the luncheon room while KENNEDY was making a speech. He stated they were standing together, the male suspect leaning up against the south wall of the location carrying a cream colored unknown type coat draped over his right forearm. He approached this suspect and stated "Pardon Me". The suspect looked at him and stated "Why should I". The suspect at this point looked away and Mr. LE BEAU turned and walked away. This was Mr. LE BEAU's last recollection of the suspect and his female companion.

LA 56-156
JRK/les

Mr. LE BEAU describes the suspects as follows:

The Man - Positive, certain without hesitancy as the person pictured in the front page of the local paper.

Further - Male, Dark Complexion, Dark curly hair, short, and belligerent.

The Woman - White, female, American, very light brown hair, possibly blond, shoulder length, attractive, slim figure wearing a satin type material blouse, white in color with an unknown colored skirt.

This information was given to Sergeant WEINS, Los Angeles County Sheriff's Office Intelligence, as per Captain MOONEY who was talking to him on the telephone with regard to the attempt on Senator KENNEDY's life.

On June 6, 1968, Lieutenant SLAGHT advised SA JOHN R. KELLISON that he had been in the restaurant on the day of the KENNEDY reception and had been a part of the group escorting Senator KENNEDY from the ground floor to the second floor where the luncheon reception was held. He said that he has no recollection of observing any person who might have resembled SIRHAN BISHARA SIRHAN in the crowd at the restaurant.

"During the day of Wednesday, June 5, 1968, I observed a photograph in the Progress Bulletin newspaper of the person who had been arrested in connection with the shooting of Senator Robert Kennedy.

"This photograph closely resembled a man I had seen previously at the restaurant on the occasion of a visit by Senator Kennedy to Pomona. On that occasion which took place on Monday, May 20, 1968, a luncheon for Senator Kennedy was held at the restaurant. This luncheon took place from about 12:20 p.m. to about 1:30 p.m.

"luncheon. After all persons were seated and Senator Kennedy had entered the restaurant and gone upstairs I then allowed the standing room crowd to go upstairs. Tickets were required from these persons also.

"Prior to allowing the standing room crowd up the stairs I was told not to let anyone up the stairs until Senator Kennedy cleared the stairs and the luncheon room upstairs. After he did so, I was then told to allow the people up.

"I recall letting one older man up the stairs after taking his ticket. A moment or so later I allowed a few other persons with tickets through.

"I recalled then hearing a noise of someone apparently hitting their foot on the stair behind me. I looked around and saw a young woman on the stairs behind me about two steps up. She had to climb over the stair rail from a booth and a brick flower casing against the stairs in order to get behind me. I saw a man coming over the rail and dropping onto the stairs behind the girl.

"I stepped up on the next stair and grabbed the girl with my right arm to prevent her from moving up the stairs. She was facing up the stairs at the time. In grabbing her with my right arm I recall ending up with my right hand on her left breast accidentally.

"I asked the question of both the girl and the man, "Do you have tickets".

"The girl answered "We are part of the Senator's party".

"I asked again "But do you have tickets?"

"She answered "We are a part of the Senator's party. He just waved to us to come upstairs."

"During this brief encounter the man said nothing but he was continuously pushing on her back.

"I then let the two of them go and returned to the bottom of the stairs.

"Following this I let the remainder of the ticket holders go up the stairs.

"During the address made by Senator Kennedy at the luncheon at approximately 1 PM I was upstairs for the purpose of locating a runner for one of the newsmen present and I recalled having seen the same man and woman standing against the south wall of the room where Kennedy was making his address.

The podium from which Kennedy spoke was set against the east wall of the room.

"On seeing the couple, it occurred to me that they were not a part of the Senator's party in view of their location.

"After finding the runner I was seeking in the vicinity of the south wall, the two of us turned to leave the luncheon room, I bumped accidentally into the man who was with the girl mentioned previously.

"I recalled saying, "Pardon me".

"He said "Why should I?"

"I ignored his remark and left the room.

"I did not observe further the man or the woman.

"Weight & build	Medium
"Hair	Black
"Eyes	Not recalled

On June 7, 1968, Mrs. FELICIA MAAS, owner of Robbie's Restaurant, 390 Pomona Mall East, advised that on the day of the KENNEDY reception she had a photographer on the scene taking photographs for her. After reviewing the photos of which she had received prints she said that there was only one in which a portion of a person's head showed which bore some resemblance to photographs observed by her of SIRHAN SIRHAN. She made available this photograph which shows the head of a man immediately adjacent to the letter "O" in a sign bearing the name "SOTO". She advised that when the remainder of the photographs taken on that day are available to her she would review them with the possibility of determining whether or not SIRHAN shows up in any of them.

On June 17, 1968, Mrs. MAAS made available proofs of the remaining photographs taken by her photographer. She said that she had not observed any persons in these proofs resembling SIRHAN.

On June 18, 1968, LEONARD MOLMQUIST, Architect, 1295 North Indian Hill Boulevard, Claremont, California, advised that on the day of the KENNEDY reception he had worked with ALBERT LE BEAU inside Robbie's Restaurant in admitting people with tickets at the base of the stairs leading to the upstairs portion of the restaurant where the luncheon was held. He said that he has no direct recollection of the incident where LE BEAU had tried to prevent a young couple from going up the stairs without turning over their tickets. He said that he does not recall having observed anyone in the crowds on that day who would have resembled SIRHAN BISHARA SIRHAN.

On June 18, 1968, J. RODRIGUEZ, Manager, Barristers Inn, Pomona, California, advised that he accompanied the KENNEDY party from the main floor of Robbie's Restaurant on the day of the KENNEDY reception to the second floor of the restaurant where a luncheon was held. He said that he has no recollection of having observed anyone resembling SIRHAN SIRHAN in the crowd.

During the entire time of the luncheon, while inside, he said that he had no recollection of any incident on the stairs leading the second floor of a couple having been detained momentarily on the stairs because of their not having tickets for the luncheon.

HANELINE related, after viewing photographs of SIRHAN BISHARA SIRHAN, that he has no recollection as having seen anyone in the crowd inside the restaurant who would have resembled SIRHAN.

Officer CARL F. JACKSON, Pomona, California Police Department, advised that on May 20, 1968, when a reception was held for Senator KENNEDY at Robbie's Restaurant on the Pomona Mall during the noon hour, that he was stationed inside the restaurant on the first floor in the vicinity of the stairs leading to the second area where the luncheon reception was held.

He recalled that when Senator KENNEDY and his party started up the stairs to the second floor that Senator KENNEDY stopped momentarily on the stairs and pointed a finger to Officer SCHNEID who was holding back a crowd away from the foot of the stairs and saying to Officer SCHNEID "Let them through". JACKSON related that this remark apparently referred to a couple in the crowd being held back by SCHNEID who he believed to have been part of the KENNEDY party. To the best of his recollection one of these persons would have probably been STEVE SMITH, brother-in-law of Senator KENNEDY, or someone resembling SMITH.

It was his recollection that this person then made his way to the area of the foot of the stairs and got onto the stairs themselves by being forced to climb over the north rail of the stairs because of the crowd at the base of the stairs.

JACKSON recalled also that there was a girl standing by the kitchen door adjacent to Officer SCHNEID and apparently Officer SCHNEID had had some words with this girl. He recalled that a moment or so later this same girl was observed by him as being on the stairs and apparently having been detained by one of the persons taking up tickets at the foot of the stairs, however, JACKSON said he had no recollection of any man being with this girl.

He related that he saw no one in the crowd around the stairs who resembled photographs of SIRHAN BISHARA SIRHAN.

JACKSON described the woman as follows:

Officer WILLIAM H. SCHNEID, Pomona, California Police Department, advised that on May 20, 1968, he was stationed inside Robbie's Restaurant located on the Pomona Mall during the noon hour. On this date and at this time there was a reception held for Senator KENNEDY in the upstairs portion of the restaurant.

He stated that he was stationed in uniform in the aisle leading to the rear door at the southeast end of the building holding back the crowd away from the stairs leading to the second floor luncheon area.

Just prior to Senator KENNEDY and his party moved up the stairs to the second floor, he recalled having noticed a girl in her mid 20's standing by the kitchen door on the west side of the corridor. It was his recollection that this girl apparently was trying to get into the kitchen. SCHNEID said he told her that she could not go in there. He recalled her asking him which way Senator KENNEDY was coming in and was told he would probably go up the stairs to the second floor.

SCHNEID related that when the KENNEDY party did go up the stairs that Senator KENNEDY stopped midway and pointed at him and said to him "Officer, Let them through". SCHNEID related that KENNEDY was referring to the people in the aisle that he was trying to hold back. As soon as Senator KENNEDY said this, SCHNEID said that the crowd surged toward the foot of the stairs and that he was forced to step aside.

At this time, SCHNEID recalled that the girl mentioned previously by him bolted toward the area at the foot of the stairs and moved into the booth area on the north side of the staircase instead of trying to get up the stairs herself. It was his impression that she was trying to get to someone she might have recognized in that area.

Within possibly a minute later, SCHNEID recalled seeing the same girl on the stairs themselves. He said that it was his impression that someone might have helped her over the brick facade adjacent to the stairs and over the stair railing behind

persons apparently checking for tickets at the foot of the stairs. It was his impression that she was detained momentarily on the stairs along with a man before she finally moved up the stairs into the second floor area. SCHNEID related that he never saw her after **this**.

After observing photographs of SIRHAN BISHARA SIRHAN, SCHNEID said that the man observed by him in the company of the woman did bear some resemblance to SIRHAN or at least to the photograph taken of SIRHAN at the Ambassador Hotel, which photograph also contains a portion of the face of Mr. UNRUH.

SCHNEID advised that he might recognize both the girl and the man observed by him if he were to see them in person. He did not feel that the man observed by him on the stairs would have been SIRHAN SIRHAN.

SCHNEID furnished the following description of the man observed by him:

Race	Caucasian
Sex	Male
Age	Early 20's
Height	5'6" to 5'7"
Build	Slender
Hair	Dark, curly
Facial features	Latin or Mexican

SCHNEID described the woman observed by him as follows:

Race	Caucasian
Sex	Female
Age	Mid 20's
Height	5'4" to 5'7"
Weight	110 to 125 pounds
Build	Proportionate
Hair	Medium to light brown; puffed up or in bufont style on top; close cut on neck.
Facial features	Fair complexion, attractive
Attitude	Officious

Officer VERN ALLEN MILLER, Pomona, California Police Department, advised that during the noon hour on May 20, 1968 on the occasion of a reception-luncheon held for Senator KENNEDY at Robbie's Restaurant on the Pomona Mall, he was stationed on the stairs inside the restaurant leading to the second floor luncheon area.

After Senator ROBERT KENNEDY and his party went up the stairs to the luncheon area, he recalled that there might have been an incident of two women having been detained momentarily as though they were being checked for tickets.

It was his recollection that they did not have tickets to the luncheon but were allowed up the stairs anyway. These persons were an older heavy set female caucasian and a younger woman who might have been the first woman's daughter.

MILLER advised that he had no recollection of a young couple having been detained on the staircase and that he has no recollection of having seen anyone in the crowd resembling the photograph of SIRHAN BISHARA SIRHAN.

The following investigation was conducted by SAs
WILLIAM C. RYAN, JR. and ORLEY A. LEESON, JR.

AT LAKEWOOD, CALIFORNIA

On June 11, 1968, Mrs. BEVERLY BRONS, 6003 Deerford Street, Lakewood, advised she attended a luncheon and rally at the Lakewood Country Club for Senator ROBERT F. KENNEDY on May 28, 1968, which was sponsored by the Lakewood Democratic Club and the Lakewood Kiwanis Club.

She stated that she was seated at the table in the left rear corner of the main dining room with several other persons including: Mr. POLACHECK, owner of Brand Jewelers; Mr. BIRNBAUM, owner of Zale's Jewelers; and Mr. and Mrs. DICK HORNER, owners of the Dutch Village Bowling Alley, all of Lakewood. About 1:25 p.m., following the luncheon, Senator KENNEDY and his party entered the dining room and were followed by members of the press. She stated the Senator shook hands with the persons at her table and she shook his hand and kissed his neck. As the Senator proceeded to the front of the group, the press went up the left side of the room and an individual who resembles SIRHAN SIRHAN followed the press group in and sat on a serving table which was directly to the left of her table. She described this male as follows:

Race	White
Age	24
Height	5'7" to 5'8"
Weight	135 to 155 pounds
Complexion	Light olive
Hair	Black, coarse, curly, long
Attire	Dark suit, white shirt
Remarks	Had long pointed nose; perspired profusely and seemed indecisive and uneasy; wore no identification pass and had nothing in his hands.

2
LA 56-156
OAL/clp

She stated this male sat on the serving tray while Senator KENNEDY spoke and during the talk, she saw a white female approach the male twice and speak to him and then return to the lobby outside the rear of the dining room. She described the girl as follows:

Race	White
Age	19
Height	5'2" to 5'3"
Weight	112-120 pounds
Build	Muscular
Remarks	Wore no makeup except light lipstick; had semi-round face; full cheekbones; Slovak or German appearance; top of tip of nose, square.
Hair	Medium to dark brown, shoulder length; parted in the middle, gold band around head; tied with orange-pink ribbon near shoulder; natural sun streaks on top.
Attire	Full shift print dress with orange, pink and yellow muted background; yellowish-lime patent leather low heel shoes with matching head handbag; carried grass green sweater over arm; dark brown pod necklace which hung to waist.

Mrs. BRONS stated that when she left the Country Club, she saw a 1956 faded dusty rose DeSoto parked near the entrance to the Club. She noticed the car because it was backed into the parking space and because it resembles her son-in-law's car which is the same year except tan in color. She stated the car had an antenna on the front left fender which had a blue flag on it and the left front hub cap had a large smear of royal blue paint on it. She believes the car was a solid color trimmed in cream.

3
LA 56-156
OAL/clp

Mrs. BRONS was shown a photograph of SIRHAN's 1956 DeSoto and she stated this car was not identical to the car she saw.

Mrs. BRONS was shown a photograph of SIRHAN SIRHAN and stated the photograph resembled the man she saw at the rally although she could not be sure due to the nature of the photo and the fact the man she saw was wearing a suit and tie.

Mrs. BRONS stated she advised WREN FLYNN (phonetic), CBS News of the above and also furnished it to one of WREN's staff. She stated she did not trust any of the local authorities and proceeded to criticize the Los Angeles Police Department, Los Angeles County Sheriff's Office, and Lakewood Police Department. She stated she had contacted the FBI in the past to report a possible racial incident and gambling activities and had recently contacted the Long Beach Resident Agency regarding her views on gun control legislation.

Mrs. BRONS was extremely emotional during this interview and wept on several occasions. She felt she contributed to the Senator's death as she wrote him a letter last November requesting a picture of former President JOHN F. KENNEDY and expressing her desire that Senator KENNEDY seek the presidency of the United States.

Mrs. BRONS expressed extreme concern of the current conditions in the United States. During interview, Agents observed several photos of Senator KENNEDY in BRON's living room as well as a KENNEDY poster on the front door of her residence.

On June 11, 1968, the following persons were contacted regarding the above described individuals and all stated they did not observe any persons as described as being at the Country Club on May 28, 1968:

L. CHARLES BARON (Lakewood Democratic Club)
4507 Palo Verde
Lakewood, California

On June 12, 1968, L. CHARLES BARON, 4507 Palo Verde, Lakewood, advised he and his wife, JACKIE BARON, are Lakewood Democratic Club workers and on May 28, 1968, they arrived at the Lakewood Country Club about 10:30 a.m. to oversee preparations for the KENNEDY luncheon and rally. BARON advised his wife spent her time insuring the speaker's table and area were in order and he spent his time insuring all guests had tickets for the luncheon and checking persons seeking admittance to the dining area until after Senator KENNEDY arrived, when he accompanied KENNEDY and his party to the speaker's table. He stated he took numerous photos of KENNEDY's arrival and his greeting numerous guests. BARON stated he has viewed his photos several times and he does not recall anyone fitting the above descriptions in the photos. BARON made the photos available for viewing by the Agent and examination of the photos failed to reflect any individuals meeting the above descriptions. BARON advised there were numerous young persons in attendance, including his seventeen year old daughter, SUSAN BARON, and her boyfriend. He stated his daughter was wearing a yellow dress with a large brown collar around the neck. He stated there were several Latin-American individuals in attendance including a Democratic Party worker FERNANDO HERNANDEZ, who is a slightly built person with rather long dark curly hair, who was attired in a suit and white shirt and tie. BARON was shown a photograph of SIRHAN SIRHAN and stated he did not see SIRHAN at the luncheon or rally. He said that HERNANDEZ slightly resembles the photo of SIRHAN.

BARON voluntarily made available four slides depicting scenes at the May 28, 1968 luncheon and various individuals in attendance. One of the slides depicted FERNANDO HERNANDEZ and others depicted various guests.
