 SUBJECT: REFUGEES AND ESCAPEES: Summary of Application for Visa under
 Section 15 (a) (5) of Public Law 85-316
 REF: Department's Circular Instruction No. CA-2927, September 26, 1957.

Name of Applicant	Date of Birth	Place of Birth	Sex
Alias: SIRHAN, Saidallah		Jerusalem, Pal.	male

Persons accompanying:

Name	Date of Birth	Place of Birth	Relationship to Applicant

Was at school in 1948 when owing to Arab/Israeli conflict fled and took refuge in Jerusalem, Old City where he is still living. Since that time he is unemployed.

not to consider the moving of him young and that he would be given the chance to work in the United States as a result of the present situation and the fact that he is a young man and has no family in the United States.

Members of family not accompanying:

Name	Date of Birth	Place of Birth	Relationship to Applicant

Circumstances of escape:

Applicant lived in the New City of Jerusalem till 1948 when the Palestine conflict started. As the Jordanian and Israeli troops were fighting each other for the occupation of the City he fled under bombardment and took refuge in the Old City.

Elements of hardship:

Applicant lost his home and belongings in Palestine as a result of the Arab/Israeli conflict. In Jordan he was unable to continue his studies and had to leave his school and look for employment in order to earn his living. But owing to lack of work in Jordan he has been unable to find a decent job and could not therefore resettlement in a normal life. His desire is to join his parents, sisters and brothers who immigrated to USA in 1956 under the Refugee Relief Act of 1953.

Elements of persecut

Applicant fled from the New City of Jerusalem for fear of persecutio
by the Jews because of race and religion. He cannot return to his
home in Israel even if he wanted to and can claim no compensation
for what he has lost there.

Although he is not likely to be persecuted in Jordan yet he may not
be able to resettle in Jordan and will be dependent of UNRWA's
assistance for many years to come.

Effect on welfare of U.S. if applicant admitted:

Mr. Sirhan has had elementary education and can only speak little
English. However he is willing to do any job in order to earn his
living and become self-supporting.

His parents, brothers and sisters immigrated to USA in 1956 under
the Refugee Relief Act of 1953 and are eager to have him join them.

We strongly recommend that this young man be given the chance to join
his parents under the present Public Law as other wise he will have
to wait for many, many years before his turn on the Israeli quota is
reached.

A CWS assurance was provided for him under RRA 1953 but this was
received too late to allow the US Consul process the case under that
Act.

MUNIR BISHARA SIRHAN was interviewed at his residence, 696 East Howard, at which time he advised as follows:

MUNIR SIRHAN was arrested on a vagrancy charge in Flagstaff, Arizona, in May of 1966, along with three or four other individuals. He and DAVID MYERS had left Los Angeles, California, together on a hitchhiking trip. They had been acquainted with each other only two or three weeks before their departure. MUNIR SIRHAN's brother, SIRHAN BISHARA SIRHAN, was not acquainted with MYERS in any manner.

The other individuals who were arrested at the same time were not known to MUNIR SIRHAN prior to the date of the arrest. It was pointed out to Mr. SIRHAN that apparently the Flagstaff, Arizona, Police records indicate he was acquainted with PHILLIP LEE CLEVINGER and RONNIE EDMON HOULEN who were arrested at the same time. Mr. SIRHAN advised that this was inaccurate, as, in fact, he and MYERS were traveling together, and they obtained a ride with the others. He had not seen them before that date.

Mr. SIRHAN stated, without any qualification at all, that his brother, SIRHAN BISHARA SIRHAN, was in no way acquainted with any of the above individuals.

She advised that these records contained one reference to one DAVE MYERS who was involved in bookmaking activities in Denver, Colorado, however, this individual is not identified in these files.

PHILIP L. CLEVINGER, Baldwin House Hotel, 74 - 6th Street, San Francisco, California, telephonically furnished the following information:

CLEVINGER received letter from mother, PRISCILLA CLEVINGER, Apt. 2, 3461 Andy, Long Beach, California, advising FBI Agent JOE CHEFALO had contacted her stating he wanted information from PHILIP CLEVINGER concerning whether a hithchiker he had picked up about two years ago was identical with SIRHAN SIRHAN.

In May, 1966, while CLEVINGER was enroute to California via automobile, he picked up two hitchhikers in Texas, exact location not recalled. When they reached Flagstaff, Arizona, he was stopped by Arizona Highway Patrol and a check made of the vehicle he was driving. Highway Patrol booked the two hitchhikers in Flagstaff on May 26, 1966, for vagrancy.

CLEVINGER does not know the identities of the hitchhikers but understands from an article which appeared in Life magazine and an interview he had with a representative of Life magazine that one of the hitchhikers may have been the brother of SIRHAN SIRHAN. CLEVINGER stated he does not know who the hitchhikers were and is unable to say at this time whether either one of them may have been identical with SIRHAN SIRHAN.

BONNIE SUE MUNN, 304 $\frac{1}{2}$ West Third Street, furnished the following information:

Her twin brother, RONALD EDMON HULEN, was last known to be living in the Long Beach, California, area, but his exact address and telephone number are not available since they were misplaced during a recent move by the MUNNs.

RONALD HULEN called her long distance prepaid sometime in April, 1968, and again about May 11, 1968. On the last occasion HULEN said he was living with some people he described as his "new brother and sister". RONALD said that the lady, DONNA (last name unknown), had a baby about three weeks old.

He told Mrs. MUNN he had recently "been knifed" and almost died. He declined to discuss the details further, except that he spent considerable time in an unidentified hospital.

She believed he was intoxicated when he made this call.

Mrs. MUNN stated her mother gave her a telegram from JACK FINCHER, Life Magazine, which requested that he be contacted regarding the whereabouts of RONALD. She contacted Life June 13, 1968, and talked to an unknown person in the absence of FINCHER. She was told that RONALD HULEN was reportedly an associate of SIRHAN SIRHAN and the two were arrested together in 1966 for vagrancy. RONALD's address was requested but Mrs. MUNN alleged that his whereabouts was unknown to her and his location was not furnished to Life Magazine.

The SIRHANs are unknown to them and were never mentioned to her by her brother. She believes RONALD HULEN is a "dope addict" and a user of Heroin. One PHILLIP CLEVINGER, who possibly resides in Bellflower, California, possibly knows HULEN's whereabouts.
