The Honorable Fred R. Harris

Washington, D. C.

Dear Fred:

The details of the Sirhan Sirhan case are extremely important to me, and I can think of no better vehicle than the United States Congress and Senate to obtain the answers to questions I am outlining below:

- 1) How much taxpayer's money has been spent on Sirhan to date exclusive of the \$900,000 spent on his trial in Los Angeles;
- 2) The amount of federal funds being used to subsidize his family due to the cruelty imposed upon them by the press;
- 3) Why the legal intanglements posed by Sirhan's lawyers cannot be brought up and answered immediately so the death penalty can be imposed either in San Quentin or another appropriate institution.

In summary, I'd like to know the exact expense incurred by the government to date, what the future holds, when we can expect some action and exactly what the United States government plans to do with the man who has been accused of the assassination of Robert F. Kennedy.

Thanks for your indulgence. I'll look forward to your reply.

Dear Mr. Fensterwald:

This will acknowledge receipt of your letter of October 12, 1970 in further reference to your request for access to a report entitled "An Investigation Summary of the Senator Robert F. RANDOM HOUSE • NEW YORK

few days, some officers were conducting interviews without ever having seen the pantry, or accurate plans of it.

"A plot, plan, map, schematic, or whatever is applicable, and a brief statement of facts should be laid out, reproduced and made available to every department command, and staff, and to the investigators assigned to conducting interviews," Keene added. Pena recommended a "walk through the crime scene by every officer conducting interviews."

The three supervising officers were also critical of "detective note-taking," and failure to properly describe witnesses. Polaroid photographs would have been useful, serving the same purpose as Keene's recommendation that "there is no place in an operation of this type for handwritten reports." In short, the modern case of sound tape proved itself.

I would agree with these constructive criticisms of the investigation. In retrospect, anything can be improved. Generally, however, I believe the department responded well in those first hectic, confusing hours. Men like Hughes, Jordan, Sillings, Sharaga, and many others, took the first shock. So did citizens at the scene, men like Dr. Abo, Jesse Unruh, Karl Uecker, Rosie Grier, Rafer Johnson and Juan Romero. They responded without hesitancy.

On July 25, 1969, Special Unit Senator was finally and officially closed out. It had been in existence for more than a year, and the ending marked the completion of the longest, largest and most expensive criminal investigation ever undertaken by the Los Angeles Police Department, possibly the most extensive investigation ever conducted by any local law enforcement agency.

On that date the voluminous SUS files, in four locked

cabinets, were shifted out of Room 803 in Parker Center for storage. Contained in them is more than fifty thousand pages of documentation and material evidence. Evidence too large for the cabinets has been recorded by photography.

The Filing Guide to these records, drawer by drawer, tells the broad story of people, places and events from the birth of Sirhan Bishara Sirhan to the conclusion of his trial. Beyond that, to the final posttrial investigations of the special unit.

The indexed story is a more intimate view into these files, and shows, for example, that 4,818 separate interviews and interrogations were conducted. The official correspondence, daily logs, section reports, progress reports, gun and gun-range reports, case preparations, conspiracy-potential investigations seem to be endless. To this small mountain of paper may be added 155 items of booked evidence, 1,700 photographs, 190 reels of tape, and 20 reels of sixteen-millimeter film.

Although I read the reports daily and met constantly with Captain Brown and SUS team heads to explore one aspect or another of the investigation, I was astonished by the sheer mass of the unit's total effort.

Now it has all been boiled down to ten illustrated bound volumes entitled *An Investigation Summary of the Senator Robert F. Kennedy Assassination, June 5, 1968*. These volumes represent my report to the Chief of the Los Angeles Police Department. Two sets will remain with LAPD, and the third set has been forwarded to the Attorney General of the United States.

Throughout the entire SUS investigation, parallel investigations were conducted by the FBI and the District Attor-

Dear Mr. Kleindienst:

Thank you for your letter of October 8th. In all sincerity, I very much appreciate your promptness and your suggestion.

If I were in California, I probably would first direct my request to the local authorities. However, as I am in Washington and copies of the records sought are in Washington, I must renew my request to you to examine them here.

Further, the stated "policy" of the Department is one thing; the provisions of 5 U.S.C. 552 are another. Under the provisions of that statute, I believe I am entitled to access to the nine (or ten) volumes in question. And I am most hopeful that the Department of Justice will make them available promptly without my having to resort to litigation.

Dear Congressman:

I have received your communication transmitting a copy of a letter from one of your constituents who requests information about the Sirhan Sirhan case in California.

The first question is: "How much taxpayer's money has been spent on Sirhan to date exclusive of the \$900,000.00 spent on his trial in Los Angeles?" I regret that the Department of Justice has no information about this matter.

The second question is: "The amount of federal funds being used to subsidize his family due to the cruelty imposed upon them by the press?" This Department is not aware of any federal funds being used to subsidize Sirhan's family in any way.

The third question is: "Why the legal entanglements posed by Sirhan's lawyers cannot be brought up and answered immediately so the death penalty can be imposed either in San Quentin or another appropriate institution?" Sirhan's trial was before a California State court. His attorneys are now exercising his right of appeal. Since the matter is still pending before the California courts, it would be inappropriate for the Department of Justice to comment.

I regret that we cannot be of any further assistance in this matter. Your enclosure is returned as requested.

Dear Sirs,

As a citizen of the United States, I have noticed a lack of justice in the punishment of one Sirhan Sirhan, brutal murderer of one of our country's greatest senators, Robert Francis Kennedy. As a citizen demanding justice, I would like to know why this man is still living? Doesn't the law dictate that in 1st degree murders the penalty is death? Would it be possible to send me some information as to why this man is still alive, drinking our water, eating our food, breathing our air and ~~just~~ giving nothing in return. This letter may sound like I'm a fanatic, well I am, about justice. Would you please send me a letter stating the reasons why he has not paid his debt to society? Just because I am ~~for~~ sixteen years of age means nothing. I have many persons in my school who feel as strongly as I do about this. They have a right to know, and so do I.

Dear Mr. Attorney General:

Attached hereto is a completed form DJ-118, a request for access to official records under 5 U.S.C. 552(a) and 28 CFR Part 16.

The records sought are an FBI file with respect to Sirhan B. Sirhan.

If it were not for the fact that the file in question had been made available to writer Robert Blair Kaiser, and had not Mr. Kaiser made this fact known in his new book, RFK Must Die, [please see Attachment], you might be inclined to answer that the records in question were within an exemption in 5 U.S.C. 552. However, as they have been made available to a commercial writer and are the basis, at least in part, for his published book, we can see no reason why they should not be made equally available to our Committee, as 5 U.S.C. 552 require equality of treatment in access to records.

Therefore, we hope that the records can be made available without serious delay.

"R.F.K. Must Die!"

A History of
the Robert Kennedy Assassination
and Its Aftermath

by
Robert Blair Kaiser

E. P. DUTTON & CO., INC., NEW YORK, 1970

... did anybody pay you to shoot Kennedy?" 321

"Of course it does," said Berman, wondering to himself just how the judge could be persuaded to let that happen.

"And I've got some books," said Jabara fiercely, "that ought to go in evidence."

"I'd like to have them right away," said Berman. "And anything else you've got on the subject."

Jabara smiled and relaxed enough to enjoy the greatest fried shrimp in town. "Okay," he said. "Okay."

"Here," I said, pushing a plate at Jabara, "have a fortune cookie and see what the fates have in store."

Jabara took a sip of tea, opened his cookie carefully and burst into a fit of laughter. He handed over a tiny scrap of paper imprinted with the message: "DON'T LET YOUR ENTHUSIASM OVERRIDE THE REALITY AROUND YOU." Jabara laughed again.

While the lawyers settled down to the weary task of picking twelve jurors and six alternates, I continued to read the Federal Bureau of Investigation's Office File 56-156, Bureau File No. 62-587. It was impressively heavy, comprising at least 4,000 pages of reports from special agents all over the United States who looked into the case of Sirhan Bishara Sirhan upon request of the Attorney General of the United States under the Civil Rights Act of 1968 and the Voting Rights Act of 1965.

And it was well written. The report of the assassination itself by Amador O. Richards, Jr., of the Los Angeles office was a model of telegraphic clarity.

At approximately 12:15 A.M., 6/5/68, Senator ROBERT F. KENNEDY proclaimed victory in California primary election in crowded Embassy Room, Ambassador Hotel, 3400 Wilshire Boulevard, Los Angeles. As SENATOR KENNEDY and party were leaving Embassy Room through kitchen exit, a series of shots were fired by an unknown individual, subsequently identified as SIRHAN BISHARA SIRHAN. SENATOR KENNEDY fell backward onto floor, critically wounded with bullet in brain. SIRHAN wrestled to floor, disarmed and turned over to Los Angeles, California, police department (LAPD).

The reports gave me a chance to verify many of the associations Sirhan had already told me about. Here were summaries of FBI interviews with persons who had known Sirhan in school and with some of those who had

SIRHAN BISHARA SIRHAN

N.&D.D. SEC.

An arrest report of the Sierra Madre Police Department dated September 23, 1970, shows that Saidallah Bishara Sirhan, brother of Sirhan Bishara Sirhan, had been arrested on September 23, 1970, by the Sierra Madre Police Department, in charges of suspicion of possession of marijuana.

Arrest report of the Sierra Madre Police Department dated September 23, 1970, shows that Saidallah Bishara Sirhan was arrested at Lime and Sierra Madre Boulevard and charged with violations of Sections 11530 (Possession of Marijuana), and 11910 (Possession of Dangerous Drugs) of the California Health and Safety Code. The address of Saidallah Sirhan was listed in this report as 1659 North Lake, Number seven, Pasadena, California.

According to the arrest report Saidallah Sirhan and two other suspects were in a vehicle when an attempt was made by a Sierra Madre police officer to stop the vehicle for a traffic violation. While attempting to stop the vehicle, a plastic bag containing a green leafy substance resembling marijuana, was thrown from the vehicle. During the inventory of Saidallah Sirhan's property additional contraband was found.

According to the crime report of this incident, the arresting officer observed a vehicle driven by Saidallah Sirhan on which the license plate light was inoperative. The vehicle was being driven erratically and while attempting to halt the vehicle, the arresting officer observed a plastic bag expelled from the left front window of the car. This was later retrieved and found to contain a green leafy substance resembling marijuana.

The three suspects were arrested and transported to the Sierra Madre Police Department for booking. While removing personal belongings from Saidallah Sirhan a tin foil wrapper containing five blue-green capsules of a white powdery substance were observed to fall from his folded up shirt sleeve.

Saidallah Sirhan was arraigned on September 23, 1970, in Division Two, Pasadena Municipal Court. A preliminary hearing was set for October 2, 1970, in Division One of the same court.

On October 2, 1970, the case against Saidallah Sirhan was dismissed as there was insufficient information to link the defendant with the evidence.
