W. J. WOOD, a telephone solicitor for the Senator ROBERT F. KENNEDY campaign and a geologist reported on June 6, 1968, that he overheard two unknown males speaking in Arabic at KENNEDY Headquarters in Los Angeles on June 3, 1968. WOOD interpreted their remarks and stated that one of the statements made was, "Well, we didn't catch up with him last night, but we will tonight".

The following investigation was conducted in connection with the above information:

Mrs. MARGUERITE SWEENEY, housewife, 20055 Wells Drive, Woodland Hills, California, telephone Number 347-9910, related the following:

Mrs. SWEENEY said that she had been in charge of the office work at the Campaign Headquarters of Senator ROBERT F. KENNEDY, 5615 Wilshire Boulevard, Los Angeles, from the time it opened in March 1968, until the evening of June 4, 1968. She said that during this period she had no recollection of observing any volunteer worker or any person at all who, in her opinion, resembled the photographs of SIRHAN SIRHAN that had been published and who had been arrested in connection with the shooting of Senator KENNEDY.

Photographs of SIRHAN SIRHAN taken by the Los Angeles Police Department on June 5, 1968, were exhibited to Mrs. SWEENEY, who further confirmed her opinion that she had no recollection of seeing SIRHAN SIRHAN at any time other than pictured on television and in the newspapers.

Mrs. SWEENEY related that three volunteer workers at the Headquarters had reported that they had thought that they had seen a person closely resembling SIRHAN SIRHAN at the Headquarters within the past few days. They were ELLENORE SEVERSON, who worked on the information desk; LARRY STRICK, who was an office assistant, and WILLIAM HENEBRY, who had worked in the department correlating telephone calls and transportation.

Following the announcement that SIRHAN was of Jordanian descent, there was speculation among some of the volunteer workers that a Mr. KHAIBER KHAN may have known SIRHAN. Mr. KAHN, as well as a number of young persons of student age, whom he brought in for volunteer work, appeared to be of Middle East extraction. They were dark and had features common to the Arabian and adjoining countries.

Mr. KHAN, age 50 to 55 years, claimed birth in Persia. He had a dark complexion, a large head, strong facial features, dark graying hair, heavy shoulders, and a stocky build. He is about 5'8" in height.

She said Mr. KHAN brought in a number of persons who reportedly were students who worked as volunteer workers in the campaign. There were usually six or seven at a time and they had been given telephoning assignments. Mr. KHAN did not handle any specific assignment but more or less correlated the activities of the persons that he brought in.

Mrs. SWEENEY recalled that Mr. KHAN had brought in one girl he claimed to be a relative. She was on crutches, and Mr. KHAN had a splint or cast on his arm. All volunteer workers were registered and in all probability a record of the workers brought in by Mr. KHAN would be among those retained by the KENNEDY Headquarters. Some of the registrations for volunteer workers had been placed on cards, others had registered on long sheets of paper. JUNE ISACKSON, who lives on Malcom Street in West Los Angeles and has telephone Number 474-5239, had access to the records at the KENNEDY Headquarters, now closed, and should be contacted if it is desired that these records be examined.

Mrs. SWEENEY continued that Mr. KHAN had related during some of their limited conversations with her that he was acquainted with Senator KENNEDY and that he was known for his support of Senator KENNEDY's policies. This resulted in some objection to his support of Senator KENNEDY by the Shah of Iran but no elaboration was made on this statement.

The only address that Mrs. SWEENEY ever had on Mr. KHAN was 1055 $\frac{1}{2}$ Wilshire Boulevard. He furnished a telephone Number of 475-1849. He also mentioned that he was known as "GOODEY" and his friends called him "GOODEY". She said that she understood that the volunteer workers brought in by Mr. KHAN had also used this Wilshire Boulevard address on the records.

Mrs. SWEENEY commented, after examining a photograph of SHARIF BISHARA SIRHAN, taken December 18, 1963, and of ADEL SIRHAN, taken June 5, 1968, both brothers of SIRHAN SIRHAN, that she had no recollection of seeing at any time the individuals in these photographs.

MARGUERITE SWEENEY, Volunteer Coordinator, KENNEDY For President Committee, Southern California, 20055 Wells Drive, Woodland Hills, California, phone No. 347-9910, was interviewed at the KENNEDY for President Campaign Headquarters, 5615 Wilshire Boulevard, Los Angeles, California, and she furnished the following items, which are being retained in the Los Angeles file for evidentiary purposes:

1. One manila folder containing three legal pads, the following notation having been made on the manila folder, "Persons who Carried Nominating Petitions". The legal pads contain the names and addresses of persons who worked on petitions for the KENNEDY for President Committee.
2. One manila folder containing miscellaneous papers which were found in the area in which associates of KHAIBAR KHAN were working.
3. One manila envelope containing lists of persons who signed up in advance to work on election day. A notation was inscribed on this envelope by Mrs. SWEENEY that most of these individuals had worked throughout the campaign.
4. One manila envelope containing lists of volunteers during the last three days prior to the election. Mrs. SWEENEY explained that index cards were not made up on these individuals.
5. Five 11 X 15 inch sheets of heavy manila paper with names, addresses, and phone numbers. Mrs. SWEENEY explained that these were election day signing sheets, which had been done by Mrs. HELEN STOUT. Mrs. SWEENEY attempted to have all the people who worked on election day sign in on these records; however, since the KHAN group did not sign on these sheets, they

are obviously incomplete due to the confusion and tension of the election day rush.

6. 10 $\frac{1}{2}$ X 10 X 10 inch brown cardboard box with lettering, "Hospital Ballots" on the exterior. Mrs. SWEENEY explained that this lettering had been done by one of the individuals who was with THE KHAIBAR KHAN.

7. Nine cardboard boxes and one metal box which contained 3 X 5 index cards which show the names and addresses of volunteers who worked on the KENNEDY for President Campaign in the Los Angeles area.

MARGUERITE SWEENEY, Volunteer Coordinator, KENNEDY For President Committee, Southern California, 20055 Wells Drive, Woodland Hills, California, phone No. 347-9910, was interviewed at the KENNEDY for President Campaign Headquarters, 5615 Wilshire Boulevard, Los Angeles, California, and she furnished the following information:

On about May 31, 1968, a man who identified himself as THE KHAIBAR KHAN, came to the Campaign Headquarters and offered the services of himself and several of his friends to aid Senator KENNEDY's campaign. KHAN appeared to be from the Middle East, she believes Iran, as were his friends. After they had been registered as volunteers, they were used to make telephone contacts of voters. At the time of registration, they filled out 3 X 5 index cards, all of them giving their address care of the address given by THE KHAIBAR KHAN. This address was 10554½ Wilshire Boulevard, phone No. 475-1849. Mrs. SWEENEY furnished these 3 X 5 index cards.

The following names with the notation, "C/O The Khaibar Khan, 10554½ Wilshire Blvd., Tel. 475-1849", were on these index cards:

Mrs. SWEENEY stated that KHAN also filled out a 3 X 5 message pad, which shows his name printed in red ink with a notation, "Goody", and telephone No. 475-1849. She explained that KHAN had a cast on his arm and claimed to have had a smashed thumb, so that when he filled out this memo pad, he had to print. She explained that the notation "Goody" had been written by her because when she asked KHAN what name he went by, he said that she should call him GOODY. She furnished the original of this pad.

Mrs. SWEENEY also furnished 3 X 5 index cards of individuals who may have worked with or known THE KHAIBAR KHAN at the KENNEDY Campaign Headquarters. She furnished these index cards,

In addition to the above, SWEENEY furnished two sheets of yellow legal sized paper, one of which was headed, "Volunteered to Distribute Literature"; the other being headed, "Sign Up to Distribute Literature in your Neighborhood". These sheets had been signed by various people, including THE KHAIBAR KHAN, and some of his associates. Mrs. SWEENEY stated that a girl who was accompanying KHAN and signed just prior to him on the sheet which was headed Distribute Literature in Your Neighborhood, had furnished her address as 1215 Ocean Avenue, Apartment 203, Santa Monica, California, phone No. EX 3-0227. This girl's name was MARYAN KOUCHAN, and after she had signed the sheet, KHAN told her to cross out the address and use his address on Wilshire Boulevard.

Following attempts to contact Mr. KHAIBAR KHAN by telephone for an appointment, the latter called Special Agent LESLIE F. WARREN on June 8, 1968, and arranged for an interview in the presence of his attorney on June 10, 1968. Consequently, Mr. KHAN was interviewed in the presence of his attorney, Mr. JACK CORINBLITH, a member of the firm of CORINBLITH and SHAPERO (M. MARTIN SHAPERO), Suite 575, 3700 Wilshire Boulevard, Los Angeles, California.

Following Agents' identification to Mr. KHAN and Mr. CORINBLITH, they were advised that the inquiry was being made in connection with the assassination of Senator ROBERT F. KENNEDY, and information had been received by the Los Angeles Office of the Federal Bureau of Investigation (FBI) that Mr. KHAN had been working at the Senator KENNEDY Campaign Headquarters, 5615 Wilshire Boulevard, Los Angeles, for several days prior to the June 4, 1968, primary elections; further, that Agents desired to show certain photographs taken by the Los Angeles Police Department of Mr. SIRHAN SIRHAN, who had been arrested and charged with the murder of Senator KENNEDY, the purpose being to ascertain whether or not SIRHAN had been observed at the KENNEDY Campaign Headquarters.

Mr. KHAN said that before he examined any photographs or submitted to any questions, he wished to make known to the Agents his identity and his background with respect to his relationship with Senator KENNEDY. In substance, he stated that he was an Iranian national, who had been living in the United States for a number of years. In 1963 he had testified before the Senate Permanent Sub-Committee on Investigations, headed by Senator JOHN L. MC CLELLAN, Chairman. KHAN had testified that certain foreign aid funds given to Iran were being misappropriated and made claims that certain officials of the Iranian government were using these funds for their own purposes and were paying off certain members of the United States Embassy in Iran at the time. He said his testimony was a matter of record. His interest in this testimony was to see that the aid funds were used to support the poor and needy people of Iran. Both former President JOHN F. KENNEDY and Senator ROBERT

F. KENNEDY had been sympathetic to Mr. KHAN's endeavors to see that the foreign aid funds were directed to the proper recipients in Iran.

Through Mr. KHAN's attorney, RICHARD H. WELS, 341 Madison Avenue, New York, New York, the support of ROBERT KENNEDY had been sought, and Mr. KHAN said that he had been personally introduced to ROBERT KENNEDY by his attorney at that time.

Subsequently, Mr. KHAN had supported the policies of President JOHN F. KENNEDY and Senator ROBERT F. KENNEDY and more recently had supported the Presidential campaign of ROBERT KENNEDY.

Mr. KHAN said he had been residing in New York City but had come to Los Angeles early in 1968, and that from June 1 through June 4, 1968, he had personally spent considerable time at Senator KENNEDY's Campaign Headquarters, working on behalf of Senator KENNEDY.

Mr. KHAN produced a number of documents which he said would reveal his identity and substantiate certain of his statements as to his background, and that copies would be made available.

These documents, copies of which were made available, are attached and are identified as follows:

1. Data concerning birth on letterhead of Iranian Embassy, Washington, D. C., dated June 28, 1962.
2. Data concerning visa issued at London, England, July 20, 1962, bearing Immigration and Naturalization Service stamp noting admitted at Champlain, New York, and dated April 9, 1963.
3. Press release dated May 16, 1963, captioned "Senate Permanent Sub-Committee on Investigations of the Committee on Government Operations", released by Senator JOHN L. MC CLELLAN, Chairman.
4. Letter dated June 21, 1965, from ROBERT F. KENNEDY, U. S. Senate, to Mr. RICHARD H. WELS, 341 Madison Avenue, New York, New York, acknowledging receipt of a letter sent to Senator MC CLELLAN about the KHAIBAR KHAN matter.

5. Letter from JOHN L. MC CLELLAN, Chairman of the Committee on Government Operations, U. S. Senate, dated November 20, 1964, to Mr. RICHARD H. WELS dealing with the possibility that information contained in the files of the Sub-Committee may have been made available by some means to the Iranian Embassy.

Mr. KHAN stated that in 1963 he had registered as a representative of a foreign principal with the Registration Section of the Internal Security Division of the U. S. Department of Justice, and that this was a matter of record with the Department of Justice. This registration had been in connection with the organization which had supported Mr. KHAN'S endeavors in the United States to direct foreign aid to the poor people of Iran, and which had supported Mr. KHAN's claims of irregularities in the handling of these funds. He explained that he had met considerable opposition from the Shah of Iran and consequently could not go back to Iran and survive. He had, therefore, sought to be lawfully admitted to the United States for permanent residence. He said a bill for the relief of KAIBAR KHAN in this respect had been introduced into Congress in May 1967. To support this claim, Mr. KHAN made available a copy of a section of the Congressional Record, which showed that H. R. No. 1059 had been introduced on that date by Mr. SCHEUER. Also furnished was a copy of the bill so introduced in the 90th Congress, First Session, on May 15, 1967. (See Attachments 6 and 7.)

Mr. KHAN also furnished a copy of a letter dated October 29, 1963, from J. WALTER YEAGLEY, Assistant Attorney General, Internal Security Division, to Mr. E. HARING CHANDOR of New York, New York, which disclosed that Mr. CHANDOR wished to amend a registration statement filed under the Foreign Agents Registration Act of 1938, Registration No. 1638, on the basis that CHANDOR did not anticipate any further activities on his part on behalf of the KHAIBAR KHAN or his organization which would necessitate notice to the Registration Section. (See Attachment 8.)

A copy of the April 12, 1965, issue of the publication "The Nation", which contained an extensive article dealing with the activities of KHAIBAR KHAN, written by FRED J. COOK, was made available to Agents for examination and copy, with the request that it be returned to him. He said that this article gave an accurate account of his activities and allegations concerning the misuse of foreign aid funds of the United States Government in Iran. (See Attachment 9.)

Mr. KHAN was asked whether or not he had ever used the name GOODARZIAN. He replied that he had previously been known as KHAIBAR KHAN GOODARZIAN, but that he had dropped the name GOODARZIAN and legally changed his name to KHAIBAR KHAN. He said he was still known by the nickname of GOODY. He was informed that Agent WARREN and Agent LLOYD O. BOGSTAD had in an attempt to locate him contacted his ex-wife, TALAT KHAN, his son, AMIR HOSSAIN KHAN, and his daughter, SHIRIN KHAN, personally at their apartment, 1055½ Wilshire Boulevard; also, that Agent WARREN had talked to another son, PHILLIPE KHAN, by telephone from the apartment on June 10, 1968. The ex-wife at that time had acknowledged that her husband, from whom she was divorced, had at one time been known as GOODARZIAN and was also known as GOODY.

Mr. KHAN mentioned that he was reluctant to furnish his residence address, as he anticipated reprisals and bodily harm from representatives of the Iranian government because of his opposition to the Shah's policies. He called attention to a splint and a cast on one hand and stated that he had been the victim of an assault in West Los Angeles near his ex-wife's apartment, which occurred earlier this year, about March or April 1968. The exact date and details, he said, would be a matter of record with the Los Angeles Police Department in their West Los Angeles Division. He claimed he had suspicions that he was assaulted as a result of his political activities but did not elaborate further.

It was mentioned by Mr. KHAN that he had owned property in Iran, including the building which housed the American Embassy in Tehran, and that the U. S. Government had rented from him for some period but had stopped renting from him when he had made the allegations against personnel of the American Embassy.

Photographs of SIRHAN SIRHAN taken by the Los Angeles Police Department on June 5, 1968, following SIRHAN's arrest on the charge of shooting Senator KENNEDY were exhibited to Mr. KHAN, who stated that he believed that he had seen the individual whose photographs he examined at the KENNEDY Campaign Headquarters on the late afternoon of election day, June 4, 1968. His recollection was that he saw the person believed to be SIRHAN around 5:00 or 5:30 P.M. on that date, first observing him walking into the headquarters through the back entrance. KHAN said he later saw the person thought to be SIRHAN standing in the headquarters near the water bottle. He at this time was standing near a young girl, but Mr. KHAN could not say that they were together or were even talking, but they were standing about two feet apart face to face. He had seen this young girl at two different times previously, once on

June 3, 1968, sitting in a Volkswagen outside the KENNEDY Headquarters, and again earlier on June 4, 1968, in the headquarters. He did not know who the young girl was. He described her as being Caucasian, in her early 20's, 120 to 125 pounds, "good figure and nice legs", large dark eyes, round face, light brown shoulder length hair. When seen on June 4, 1968, about 5:00 to 5:30 P.M., she was wearing a two-color dress with short sleeves, part of which was light and part of which had small round spots on it which appeared to be either black or blue.

Mr. KHAN said his attention had first been attracted to this young girl in question when he had seen her sitting in a blue Volkswagen on a street that ran beside the Campaign Headquarters. It was some time around mid-afternoon. There was a young male Caucasian, possibly American, in the car with the young girl at that time when KHAN was walking beside the car, and he overheard the young man say, "I just spoke to Miss LAWRENCE, but LILLIE said it was impossible." This attracted the attention of Mr. KHAN, as he was personally acquainted with one LILLIE LAWRENCE, an Iranian who was the wife of an American, but who lived in New York. He did not get a good look at the young man in the car but thought he had seen him in the past, but the young man turned his head, and Mr. KHAN did not see him sufficiently to recognize him.

On the basis of overhearing this statement, Mr. KHAN had some interest in the young girl in question, as he thought she might be an Iranian girl. He had been asked earlier by one LARRY, a volunteer worker at the Senator KENNEDY Headquarters, if he had seen the Iranian girl. Mr. KHAN is not sure the correct name of the man is LARRY, but it is something similar. Consequently, when Mr. KHAN observed the man believed to be SIRHAN and the young girl standing near one another at the water cooler, at which time the young girl appeared to be pouring coffee, he was interested in who she was and left seeking LARRY to ask the latter if the girl by the water cooler were the Iranian girl LARRY had mentioned. He recalled that he asked another volunteer worker, a man who is a rather heavy build and whose wife reportedly was a telephone operator at the KENNEDY Campaign Headquarters, if he had seen LARRY. During the approximate ten minutes that Mr. KHAN was seeking LARRY unsuccessfully, he returned, and by this time the man thought to be SIRHAN and the young girl had disappeared. He had no recollection of seeing them subsequently.

It was possible, according to Mr. KHAN, that photographs of the young girl and the man thought to be SIRHAN were taken, as

about 5:00 to 5:30 P.M., some persons were shooting movie scenes of the campaign headquarters who reportedly were Swiss photographers making a film dealing with American political campaigns. It was noted that they made sweeping shots of the room at the time. The identity of the Swiss photographers was not known to Mr. KHAN, who was of the opinion that they would probably be known to Mrs. MARGUERITE SWEENEY, who appeared to be in charge of the office operations of the KENNEDY Headquarters at the time.

Mr. KHAN was asked if he were in the campaign headquarters on Sunday, June 2, 1968, at approximately 2:00 P.M. He said that he was in there on Sunday, but he thought it was later. He said he had no recollection of seeing the person thought to be SIRHAN at that time. He was advised that the FBI had received information that two of the volunteer workers, a young high school student named LARRY and a woman who worked on the information desk, had observed a man thought to be SIRHAN standing near the front entrance of the campaign headquarters around 2:00 P.M. on June 2, 1968, at which time Mr. KHAN was standing near the information desk; further, that when the young LARRY had asked the man thought to be SIRHAN if he could help him, the man replied, "No, thank you, I'm with him", and pointed in the direction of Mr. KHAN standing near the information desk, which was several feet away.

Mr. KHAN said he had no recollection of this incident or of seeing Mr. SIRHAN at that time, and he had no recollection of ever seeing Mr. SIRHAN prior to the late afternoon of June 4, 1968, at the headquarters. He continued that he had seen pictures of SIRHAN on television and in the press and thought at the time that he looked familiar and wondered whether he might have seen him at the KENNEDY Headquarters.

Mr. KHAN was further advised that co-workers at the KENNEDY Headquarters had advised that Mr. KHAN had brought in a number of young people of Middle Eastern descent into the KENNEDY Headquarters as volunteer workers during the three or four days prior to the election, and that it was thought that SIRHAN might have been among this group, or possibly known to Mr. KHAN or some of the persons he brought in.

Mr. KHAN related that he had brought four of his children in there and his half-sister; also, that he had told them to bring their friends and anyone else who might be potential volunteer workers for Mr. KENNEDY.

Mr. KHAN mentioned that there was an incident which occurred when he and his half-sister, MARYAM, left the campaign headquarters on June 4, 1968, around 8:00 P.M. A young man, an American in the early 20's, had asked MARYAM, who was in their car outside the headquarters, if they were going to the Ambassador Hotel. When MARYAM informed him they were not but were heading toward West Los Angeles, this young man asked her for a ride. He was in the car when Mr. KHAN came out of the headquarters. This young man asked Mr. KHAN if he would give him the KENNEDY button he was wearing so that he might use it to get into the Ambassador Hotel where the KENNEDY campaign party was to be held. KHAN declined, and the young man was most insistent. He wanted KHAN to go back into the headquarters and get him a KENNEDY button or press pass or something which would enable him to get into the party at the Ambassador Hotel. Mr. KHAN again declined, and the young man was dropped off in the vicinity of Westwood Boulevard and Wilshire Boulevard in West Los Angeles shortly after 8:00 P.M. Mr. KHAN said he had the name and address of this young man, but that it was not with him, and he would furnish it later.

At this point Mr. KHAN and his attorney suggested that the interview be terminated, as it was getting late, and that it be continued at a later date. Mr. KHAN and his attorney, in the presence of Agents, stated that they would discuss the possibility of further contact with Agents, and the possibility of Mr. CORINBLITH not having to be present would be considered. He said Agents would be contacted the following day and would be advised accordingly.

Mr. KHAIBAR KHAN, telephonically contacted SA LESLIE F. WARREN on June 11, 1968, and said that he and his attorney, JACK CORINBLITH, had agreed that Mr. KHAN could continue his discussion of the Senator ROBERT F. KENNEDY assassination, with Agents of the FBI, without Mr. CORINBLITH being present. Mr. KHAN arranged for a personal meeting later that date, stating that he was to have his half-sister, MARYAM KOUSHAN who is also known as Rose Khan, with him as she had some information which may be of interest.

Consequently, Mr. KHAN was interviewed in the presence of his half-sister, at which time he related the following:

KHAN identified his current address as Suite 201, at 1215 Ocean Avenue, Santa Monica, California. His half-sister resides in Suite 206 at this address. He has no private telephone, but can be reached through the switchboard at this apartment, telephone number EX 3-0227.

It was explained that the half-sister, who was noted to be using crutches, had been thrown from a horse while riding in Griffith Park, Los Angeles, about six months previous, which had injured her hip and resulted in her not being able to put weight on one leg during this period. The horse was startled by what Mr. KHAN thought was a shot of some sort, but he was never able to confirm this belief. MARYAM was taken to the Los Angeles County General Hospital following the accident and there used the name of ROSE KHAN. He said that MARYAM had been in the Senator KENNEDY campaign headquarters at 5615 Wilshire Boulevard as a volunteer worker from June 1 through 4, 1968 and could confirm to some degree some of the information that he had furnished to Agents WARREN and WILLIE R. WHITE on June 10, 1968, when they were in the office of Mr. CORINBLITH.

KHAN said neither he nor his half sister had gone to the Ambassador Hotel on the evening of June 4, 1968 and he could furnish nothing regarding the activities of the Senator's campaign party that evening.

Concerning the young man to whom KHAN and his half-sister gave a lift from the KENNEDY campaign headquarters to West Los Angeles, California, at approximately 8:00 p.m. on June 4, 1968, previously related by Mr. KHAN on June 10, 1968, the following is a description and name of this person, which Mr. KHAN exhibited on a piece of paper as MICHAEL WAYNE, 1430 South Hi Point Street, Number 105, Los Angeles, California 90035, male, white, age-early twenties, five feet eight inches, skinny build, who claimed to have been born in Manchester, England and his parents are British, his father a salesman. No British accent was noted during the conversation with this individual. This young man, who had a reddish complexion and longish brunette hair, was thought to have been a volunteer worker at the KENNEDY headquarters, as he was carrying a roll of what appeared to be campaign posters. He had attempted to get Mr. KHAN to give him, or otherwise obtain for him, a KENNEDY button or pass which would enable him to get into the Ambassador Hotel during the KENNEDY campaign party scheduled for later that evening. As previously related by Mr. KHAN, this man had been quite insistent he obtain this button or pass. The significance of this incident with this young man was not known to Mr. KHAN, who claimed he had not seen this young man around the headquarters and had no way of associating him with SIRHAN SIRHAN, who had been charged with the shooting of Senator KENNEDY, or the girl who was mentioned by Mr. KHAN the previous day as being possibly associated with the person thought to be SIRHAN at the KENNEDY campaign headquarters at approximately 5:30 p.m. the evening of June 4, 1968.

Mr. KHAN said he had personally met Senator KENNEDY in Washington, D. C. and in New York, through KHAN's attorney, Mr. WELS, as related during the discussion with Agents on June 10, 1968. Mr. KHAN said he had met PIERRE SALINGER, former press agent for JOHN F. KENNEDY at Senator ROBERT KENNEDY's campaign headquarters in Los Angeles during the current campaign, but that he was not intimately acquainted with Mr. SALINGER or the late Senator ROBERT F. KENNEDY.

Concerning the motion picture crew reportedly from Switzerland, who were taking photographs of KENNEDY campaign headquarters at around 5:30 p.m. on June 4, 1968, previously related by Mr. KHAN, the latter said he could not furnish any further identifying data except there seemed to be a crew, and Mrs. MARGUERITE SWEENEY, who was in charge of the office at KENNEDY campaign headquarters could probably identify them.

Concerning the identity of individuals who had come to the KENNEDY headquarters as volunteer workers, reportedly at Mr. KHAN's request, he said that he had brought a number of his children there and had asked them to bring all of their school friends or anyone else who might be willing to do volunteer work for Senator KENNEDY. There were a number of persons who had responded and who had probably signed in at the KENNEDY headquarters, showing a connection with either himself or the address he had furnished and suggested his children use, which was 10554½ Wilshire Boulevard, where his ex-wife and some of his children now resided. He did not know the names of these other individuals who may have come there utilizing his name or address, but felt they were probably of Iranian descent and that their names would undoubtedly be recorded as volunteer workers. He added if the names of these individuals of possible Iranian descent were obtained, he and his half-sister may be able to aid in identifying them. The members of his family who were known to have been there were his daughter SHERIN, a high school student, and his sons AMIR, PHILLIPE and SAHPOUR, the latter age eleven. Another son, J. C. KHAN, was not a volunteer worker at KENNEDY headquarters in Los Angeles.

Concerning the girl previously mentioned by Mr. KHAN on June 10, 1968, who was thought possibly to have been acquainted or seen close to SIRHAN at the headquarters on June 4, 1968, KHAN said he had been thinking about the dots on her dress, which he had previously mentioned, and he had seen a dress on the front of a current issue of "Vogue" magazine, which showed the polka dot design, which he exhibited and noted that the dots on the dress were about

the size he observed on the dress worn by the girl in question, which were approximately the size of a dime. He was unable to furnish further description of this girl or the specific coloring of the dress worn, beyond that it was two-toned and the dots appeared to be dark blue or black on a light surface.

With respect to the man originally seen in the blue Volkswagen, with the aforementioned girl in question, as related by Mr. KHAN on June 10, 1968, he described this man further as being a caucasian, thirty to thirty five years of age, five feet eight inches to five feet eleven inches tall, 165 pounds, dark complexion, black hair and eyes, well dressed. KHAN said he has been trying to refresh his memory on this man seen in the Volkswagen, he previously felt had seen before and could only say the man in the Volkswagen somewhat resembled a person he previously had seen in New York, who was a friend of LILLIE LAWRENCE, who is an Iranian girl married to an American, and who had an apartment on Fifth Avenue in New York. LILLIE was known to have aided the Immigration and Naturalization Service in the past, but was not believed to be directly employed by them. Her husband, whose name he could not recall, reportedly operated some Iranian "call girls" around New York. KHAN said he could not confirm these rumors.

Photographs of SIRHAN BISHARA SIRHAN's brothers, SHARIF SIRHAN (photograph dated December 18, 1963) and ADEL SIRHAN (photograph dated June 5, 1968) were exhibited to Mr. KHAN who said he had no recollection of ever having seen these two individuals, nor did he have any knowledge otherwise of them.

Concerning his current occupation, Mr. KHAN said he was not employed as such and that he owned a lot of property in the past, some of which he had sold some time ago and was living off the proceeds. He mentioned he still owned property in Iran, which he had been unable to sell to his satisfaction as the minute he sold it he felt that the Iranian Government would tax him to the degree that it would not be worthwhile. He mentioned that he is well known to the Iranian colony in California and mentioned there were approximately 5,000 Iranian students in school in California colleges at the present time.

5
LA 56-156

Mr. KHAN reiterated from his statements of June 10, 1968, that he is well known to the Department of Justice and State Department in Washington, D.C. He said he had been interviewed by Agents of the FBI on a number of occasions and mentioned that he had had some contact with one of the New York Agents of the FBI whose name he recalled was JOHN STOCKTON.

Mr. KHAN said that he was still Honorary Chairman of the organization K.K. United Patroits for Justice, Shahpour Avenue, Khoramshahr, Iran, since 1951, which had been the basis for his registration, as related June 10, 1968, with the Registration Section of the Internal Security Division of the U.S. Department of Justice. He mentioned he had no stock in this organization and was only an honorary chairman.

The original issue of the "Nation", which Mr. KHAN made available to Agents on June 10, 1968, was returned to him on June 11, 1968, after copies had been made of the article therein dealing with the activities of Mr. KHAN and the U.S. Foreign Aid Program in Iran. Mr. KHAN stated he had never been interviewed by Mr. FRED COOK nor had he met anyone connected with the magazine, nor had he furnished any material for the article. In his opinion, Mr. COOK had obtained his material from court records and other public government records. He mentioned that the Washington, D.C. newspaper columnist, DREW PEARSON, had written articles which involved KHAN and the allegations made by him concerning the irregularities in the U.S. Foreign Aid Program in Iran.

Mr. KHAN had recently seen Mr. WALTER SHERIDAN, whom he had known in Washington, D.C. in 1963 when SHERIDAN was in the U.S. Justice Department. SHERIDAN was in the KENNEDY headquarters in Los Angeles on Sunday, June 2, 1968.

6
LA 56-156

He mentioned that Mr. SHERIDAN was acquainted with Mr. KHAN's background and activities in the Washington, D. C. area in the past. KHAN further related that at the time he was protesting irregularities in the Foreign Aid Program to Iran and claiming that the poor people of Iran were not getting the benefit of the program, his position was understood and supported by the late President JOHN F. KENNEDY and on one occasion, with the aid of Attorney General ROBERT F. KENNEDY had allowed KHAN to use certain quotes from the Attorney General in support of KHAN.

KHAN said that due to his opposition to the Shah of Iran, he was naturally apprehensive that bodily injury might come to him in a clandestine manner in the United States and that he was always cautious. He said he felt that in the past there had been leaks of information from certain government agencies to the Iranian Embassy about KHAN's activities in Washington, D. C. He said he had suspected DREW PEARSON as being involved in these leaks. He said he had learned that the Iranian Embassy knew that he had been working on behalf of Senator ROBERT F. KENNEDY at the campaign headquarters in Los Angeles during the recent primary election.

Mr. KHAIBAR KHAN, 1215 Ocean Avenue, Apartment 201, Santa Monica, California, telephone EX 3-0227, advised the following:

With respect to the identity of the persons who Mr. KHAN was responsible for their appearance as volunteer workers at the Los Angeles Campaign Headquarters of Senator ROBERT F. KENNEDY on June 1, 1968, and June 4, 1968, he advised as follows:

The persons who actually worked there at his request were his half-sister, MARYAM KOUSHAN, his son, AMIR H. KHAN, a high school student, his daughter, SHIRIN KHAN, a high school student, and his son, PHILLIPE KHAN, a college student. Another son, J. C. KHAN, did not work at the headquarters but did, on June 3, 1968, drive MARYAM to the headquarters where she was doing volunteer work.

Mr. KHAN explained that he had brought the above individuals with him at the time of interview and would have them available for any questions the Agents desired to ask them in his presence. Consequently, the above individuals were interviewed and shown photographs of SIRHAN SIRHAN and his brothers, ADEL, MUNIR and SHARIF, the results of which were reported separately.

On the late afternoon of June 4, 1968, Mr. KHAN had furnished a list of names of individuals to the KENNEDY Campaign Headquarters in Los Angeles who he said would be available as volunteer workers in the November campaign of Senator KENNEDY. The address of these various individuals had been furnished as care of The Khaibar Khan, 10554½ Wilshire Boulevard, telephone 475-1849. This is the address of his divorced wife, TALAT KHAN, and his children. This procedure was taken because the majority of these individuals are not in the Los Angeles area and some of them are not even in the United States but were expected to be here to do volunteer work for Senator ROBERT F. KENNEDY prior to the November Election.

Of the persons whose names were furnished as November volunteer workers for KENNEDY who live in the Los Angeles area were as follows:

TALAT KHAN, mentioned above

Miss FARAH KHAN, a daughter

Miss ROSE KHAN, a daughter

M. DAJHM, a cousin

Mr. KHAN said that none of the persons whose names were furnished on June 4, 1968, as November volunteer workers had done any work at the KENNEDY Campaign Headquarters in Los Angeles during the June Primary Election.

It was pointed out by Mr. KHAN that he was a leader of the opposition to the Shah of Iran among Iranian nationals in the United States and that the persons that he recommended as volunteer workers were of Iranian background and that he did not desire to furnish their specific addresses for security reasons.

He was afraid of possible politically motivated reprisals against him and his associates due to the opposition to the policies of the Shah.

Mr. KHAN said that he did not desire to get mixed up in an affair involving the Arabian countries and the Jewish State as a result of the KENNEDY assassination, however, in the interest of justice, he was willing to cooperate with the FBI. Concerning any further thought he may have had on the possibility of SIRHAN SIRHAN conspiring with anyone in the shooting of Senator KENNEDY, he replied the only possibility concerned the person, LILLIAN LAWRENCE, whom he had referred to in his initial interview by the FBI in the presence of his attorney in Los Angeles on June 10, 1968. He had just learned from sources he did not disclose that LILLIAN LAWRENCE had recently been on a trip to the Middle East. This, coupled with the previously furnished information regarding the mention of the name

3
LA 56-156

of LILLY LAWRENCE by a man in the blue Volkswagen with a young girl near KENNEDY Campaign Headquarters on June 3, 1968, looked familiar to him. Further, that this young man, unidentified, he felt quite sure he had seen before in New York and possibly in association with LILLIAN LAWRENCE and her husband. Further, that the young girl seen in the Volkswagen had on the late evening of June 4, 1968, been observed in the KENNEDY Campaign Headquarters standing very near to the individual who he thought to be SIRHAN SIRHAN, the details of which he had previously related. Also, that this young girl, when last seen on June 4, 1968, was wearing a dress, the upper portion of which, as best he could observe, was light in color and contained dark, either blue or black, dots on it.

He continued that though this was speculation, it might be significant if there was any actual connection between LILLIAN LAWRENCE, the Iranian national married to an American in New York, the young man he observed with the young girl in a blue Volkswagen outside the KENNEDY Headquarters and this same girl who was in the Volkswagen who was, the following day, seen at the KENNEDY Headquarters near the person thought to be SIRHAN SIRHAN.

Mr. KHAN reiterated that he did not actually see the young girl in question talking to the person thought to be SIRHAN at the headquarters but the two were standing face to face about two feet apart, the man thought to be SIRHAN near the water cooler and the girl by the coffee urn.

Mr. KHAN re-examined the photographs of SIRHAN SIRHAN and his brothers, ADEL, MUNIR and SHARIF, including a current photograph of the latter, and reached the conclusion he had never seen any of the individuals previously with the possible exception that he felt that he had seen SIRHAN SIRHAN as related above.

It was mentioned by Mr. KHAN that if anything ever developed from the information he furnished, he would

4
LA 56-156

not be willing to testify in a court of law with respect to SIRHAN without personally observing SIRHAN. With respect to the unknown girl in the Volkswagen, he would also have to see any girl thought to be the same person before he could make any more positive identification.

Mr. KHAIBAR KHAN, who was previously interviewed in this matter, phoned the Los Angeles Office of the FBI July 5, 1968, and asked he be contacted by SA LESLIE F. WARREN at telephone number 474-4561 extension 242.

Upon returning Mr. KHAN's call, he advised the following:

Mr. KHAN said he wanted to report that he had been arrested by the Immigration and Naturalization Service (INS) Los Angeles, on June 27, 1968, and was being held for deportation proceedings. He was in jail several days and is currently out on \$4,000 bail. A deportation hearing is scheduled at INS, Los Angeles, July 19, 1968. DAVID CARLINER, 901 Warner Building, Washington D.C., was the attorney representing Mr. KHAN in the proceedings.

Mr. KHAN said he had also been interviewed by two detectives from the Los Angeles Police Department (LAPD) on June 27, 1968, as a potential witness in the shooting of Senator KENNEDY. Mr. KHAN stated he furnished the information to the police detectives about his working as a volunteer worker in the Senator KENNEDY campaign headquarters of Los Angeles, June 1 through June 4, 1968, and had thought he had seen SIRHAN SIRHAN at these headquarters on June 4, 1968, his opinion being based on a photographic identification.

The LAPD, according to KHAN, wanted him to take a lie detector test and also wanted to arrange for Mr. KHAN to personally observe SIRHAN SIRHAN at the Los Angeles County Jail in an attempt to confirm that he had seen SIRHAN SIRHAN at the KENNEDY headquarters. Mr. KHAN declined to take the test or go to the jail advising the police that he wished to consult with his attorney before taking such action.

Mrs. ELLENORE SEVERSON, also known as Mrs. Bertol Charles Severson, housewife, 12409 Helena Street, Los Angeles, telephone number GR 6-2909, related the following:

Mrs. SEVERSON said that she, a member of the California State Central Committee of the Democratic Party, had been active in the Senator ROBERT F. KENNEDY Campaign Headquarters at 5615 Wilshire Boulevard, Los Angeles, during the past two weeks. She served on the information desk at the headquarters which was located opposite the front entrance.

On June 2, 1968, she noticed one of the volunteer workers who showed up at the headquarters and who furnished the name of KHAIBAR KHAN, 10554½ Wilshire Boulevard, Los Angeles, appeared to be of Middle East descent. KHAN was in and out of the headquarters until closing time on June 4, 1968. It was noted that he, during this period at different intervals, brought in a number of young persons of student or immediately post-student age to do volunteer work at the headquarters. The majority of them worked in the telephone department. All of these persons brought in by Mr. KHAN appeared to be of Middle East descent.

Mr. KHAN, in registering these various individual volunteer workers had them furnish the address of 10554½ Wilshire Boulevard. There must have been approximately 20 of these workers who Mr. KHAN brought in.

On Sunday, June 2, 1968, at about 2:00 p.m., Mrs. SEVERSON noticed a young man standing just inside the entrance to the headquarters and Mr. KHAN was talking to Mrs. SEVERSON at the information desk. One of the volunteer workers, LARRY STRICK, asked the young man if he could help him, whereupon the young man standing by the door reportedly told LARRY STRICK that "I'm with him" pointing towards Mr. KHAN.

Mrs. SEVERSON said that she had seen pictures of SIRHAN SIRHAN, who had been arrested for the shooting of Senator KENNEDY, and she was of the opinion that the young man she had seen in the office near the front door on Sunday afternoon, June 2, 1968, was in fact SIRHAN SIRHAN.

Photographs of SIRHAN SIRHAN which were taken by the Los Angeles Police Department on June 5, 1968, were exhibited to Mrs. SEVERSON who stated in her opinion that the photographs exhibited to her very closely resembled the young man mentioned above and in her opinion, "It was him". She did not recall seeing this young man in question at any other time during her work at the headquarters.

Mrs. SEVERSON suggested that LARRY STRICK, BILL HENEBRY, a volunteer worker who spoke Arabic and appeared to converse with Mr. KHAN at the headquarters, and Mrs. MARGUERITE SWEENEY, who was in charge of the headquarters, be interviewed.

Mrs. SEVERSON said that the only other thing that she could recall which might have a bearing on the matter was that on June 2, 1968, she had an itinerary for Senator KENNEDY for that date lying on her desk.. Shortly after the young man and Mr. KHAN were in her area, this itinerary was missing and she never did recover it after making considerable inquiry among other volunteer workers. This itinerary sheet was a mimeograph form, was not issued to the public, there were very few copies, and it was restricted to field personnel at the headquarters. A new itinerary for Senator KENNEDY was issued each day.

Mrs. SEVERSON described Mr. KHAN as being a male Caucasian of Middle East descent, dark complexion, about five feet eight inches to five feet nine inches, stocky build, age in 40s or early 50s. He had dark hair, slightly graying, which he combed straight back. His nose was slightly semitic and of medium size, slightly aquiline. He was muscular, had an athletic build, and claimed to have had a large group of sport supply stores and specialized in golfing. He had a splint on one arm which he claimed to have broken during a fall playing

3
LA 56-156

tennis. He spoke with a heavy accent although claimed to have studied English in England. He reportedly had been born in Istanbul and was an Iranian by birth. He claimed to have a daughter going to high school in the United States and to have come out from New York City to aid Senator KENNEDY's campaign in the Los Angeles area.

Mrs. SEVERSON recalled that in one instance, a young girl approximately 23 years of age, dark hair, fair complexion, attractive, well built, of apparent Middle East extraction, appeared with Mr. KHAN at the headquarters. She was dressed in a stylish manner and was on crutches. One leg was held up although not in a cast or splint. When this young girl and Mr. KHAN appeared, on exact date not recalled, the young girl signed a name and address at which point Mr. KHAN stated, "Don't use that address. Use the 10554½ Wilshire Boulevard address". The original address was crossed out and the latter address submitted. Mrs. SEVERSON said that Mr. KHAN had on occasion been bringing the young volunteer workers to the information desk to register and had asked Mrs. SEVERSON to print the names for him as he was unable to write. She recalled that all of the names were of names usually associated with people who live in the Middle East section of the world.

Later Mrs. SEVERSON telephoned the Los Angeles Office of the FBI and stated that she had, on this date at 12:27 p.m., been watching CBS news over KNXT, Channel 2, Los Angeles, on television and during a pan shot of the crowd at the Los Angeles International Airport at the time Senator KENNEDY's body was being taken to New York, she observed in this television shot a man wearing a white shirt she believed to have been one of the persons who Mr. KHAN had brought into the Senator KENNEDY headquarters.

Mrs. TALAT KHAN, 1055 $\frac{1}{2}$ Wilshire Boulevard, Los Angeles, California, phone 475-1849, contacted in an attempt to locate Mr. KHAIBAR KHAN who had furnished the above address was informed agents were working on the Senator ROBERT F. KENNEDY assassination case. Mr. KHAN was being sought to show him photographs of SIRHAN SIRHAN who had been charged with the shooting of Senator KENNEDY and who reportedly had been seen in the Los Angeles campaign headquarters of Senator KENNEDY at the time Mr. KHAN reportedly had been working there.

Mrs. KHAN said she was now divorced from KHAIBAR KHAN and he lived elsewhere in Los Angeles and did not disclose his address. She resided here with their children and Mr. KHAN called by phone frequently and she would advise him of agents' desire to contact him.

Mrs. KHAN claimed she did not work in the Senator KENNEDY campaign headquarters; and when photographs of SIRHAN were exhibited to her, she stated she had never known SIRHAN or heard of him until he was charged with shooting Senator ROBERT KENNEDY.

Three of Mrs. KHAN's children, AMIR HOSSAIN KHAN, student, and SHIRIN KHAN, student, present at time of interview, and PHILLIPE KHAN, employed by the Culver Theatre in Culver City, had done some work at the Senator KENNEDY campaign headquarters within the past few days.

Mrs. KHAN acknowledged that Mr. KHAN was at one time known by the name of KHAIBAR KHAN GOODARZIAN and was still referred to by the nickname of "GOODY."

PHILLIPE KHAN, Assistant to the manager, Culver Theatre, 9820 West Washington Boulevard, Los Angeles, phone 838-3124, was contacted by phone when agent was at the apartment of his mother, Mrs. TALAT KHAN, 10554½ Wilshire Boulevard, Los Angeles, California, in an attempt to locate his father, KHAIBAR KHAN.

PHILLIPE was advised his father was reportedly working in the Los Angeles headquarters of Senator ROBERT F. KENNEDY during the period SIRHAN SIRHAN, charged with shooting Senator KENNEDY, reportedly had been seen in the headquarters. It was desired to show photographs of SIRHAN to KHAIBAR KHAN. Further, Mrs. KHAN had said PHILLIPE had been in the campaign headquarters within the past few days as a volunteer worker.

PHILLIPE was asked if he knew where his father could be reached as it had been ascertained from his mother that his parents were divorced and Mr. KHAN did not live with PHILLIPE's mother. He claimed his father did not disclose his address but called his mother at number 475-1849 frequently and a message could be left for the father at her place.

PHILLIPE said he had been in the KENNEDY campaign headquarters as a volunteer worker in Los Angeles, June 4, 1968, and he had seen photographs of SIRHAN on television and in the press. He had no recollection of ever seeing SIRHAN in the headquarters or elsewhere and had never heard of SIRHAN before he was charged with shooting Senator KENNEDY.

PHILLIPE KHAN, a student and part-time employee of the Culver Theater in Culver City, California, who can be contacted through 10554½ Wilshire Boulevard, Los Angeles, California, telephone 475-1849, advised the following:

Mr. KHAN had been contacted by telephone on June 7, 1968, from the apartment of his mother, TALAT KHAN, at the above address. He, at the time, advised that he had no knowledge of SIRHAN SIRHAN and had no recollection of ever seeing him around the Los Angeles Campaign Headquarters of Senator ROBERT F. KENNEDY. Mr. KHAN had worked briefly as a volunteer worker at this headquarters at 5615 Wilshire Boulevard, Los Angeles, on June 4, 1968. He had been assigned to the Telephone Room and had worked there from approximately 11:30 AM to 2:30 PM on that date.

Mr. KHAN was shown photographs of SIRHAN SIRHAN and his brothers, MUNIR SIRHAN, ADEL SIRHAN and SHARIF SIRHAN. He said that he had no recollection of ever seeing any of the individuals in these photographs around the Senator KENNEDY Campaign Headquarters in Los Angeles or elsewhere. Further, he had never heard of any of these individuals prior to their recent publicity.

Mr. KHAN, who is of Iranian descent and who was noted to generally resemble the physical appearance of the current movie star OMAR SHARIF, was asked if anyone had ever told him whether or not he did resemble this actor. He replied yes, that a number of people had remarked to the similarity of their appearance. He said at the time he was working at the campaign headquarters, he was wearing a black and white stripe sport shirt and a white tennis sweater and tennis shoes.

Mr. KHAN said that he did not attend the Senator KENNEDY Campaign Party at the Ambassador Hotel on the evening of June 4, 1968, and the morning of June 5, 1968.

SHIRIN KHAN, student, 10554½ Wilshire Boulevard, Los Angeles, California, phone 475-1849, was contacted during an attempt to locate her father, KHAIBAR KHAN, to show the latter some photographs of SIRHAN SIRHAN, charged with shooting Senator ROBERT F. KENNEDY. SIRHAN reportedly had been seen in the KENNEDY Los Angeles Campaign headquarters where Mr. KHAN was known to have worked during the past few days.

SHIRIN said her father did not live here as her parents were divorced but he had frequent telephone contact here and a message would be given him when he called.

SHIRIN, following examination of photographs of SIRHAN shown to her, said she had never known or seen this person and had never heard of SIRHAN until charged with the shooting of Senator KENNEDY. She had been in the Los Angeles KENNEDY campaign headquarters on June 3, 1968, as a volunteer worker, and had not seen anyone resembling him there.

SHIRIN KHAN, a student, 1055 $\frac{1}{2}$ Wilshire Boulevard, Los Angeles, telephone 475-1849, who was previously interviewed on June 7, 1968, advised the following:

Miss KHAN, who had previously been shown photographs of SIRHAN SIRHAN, was shown photographs of the latter's brothers, MUNIR SIRHAN, ADEL SIRHAN and SHARIF SIRHAN. She said that she had no recollection of ever seeing the brothers of SIRHAN SIRHAN at any time and had no knowledge of SIRHAN SIRHAN or his brothers until their recent publicity.

Miss KHAN said that she did not attend the Senator KENNEDY Campaign Party at the Ambassador Hotel on the evening of June 4, 1968, and the morning of June 5, 1968. She had worked at the Senator KENNEDY Campaign Headquarters in Los Angeles during the day on June 3, 1968, as a volunteer worker.

MARYAM KOUUSHAN, also known as Rose Khan, 1215 Ocean Avenue, Apartment 206, Santa Monica, California, phone EX 3-0227, was interviewed in the presence of her half brother, KHAIBAR KHAN who resides in Apartment 201 at this same address. She related the following:

She was aware that agents had talked to KHAIBAR June 10, 1968, regarding any knowledge he may have had of SIRHAN SIRHAN who was charged with shooting Senator ROBERT F. KENNEDY. SIRHAN reportedly having been seen in the Los Angeles Kennedy Campaign Headquarters, 5615 Wilshire Boulevard, where both she and KHAIBAR had been volunteer workers from June 1, 1968 through June 4, 1968.

Photographs of SIRHAN taken by the Los Angeles Police Department June 5, 1968, were shown to her. She claimed, based on the photograph description, she felt she had seen SIRHAN just outside the campaign headquarters June 2, 1968, between 2:00 and 2:30 p.m. KHAIBAR had let her out of the automobile in front of the headquarters. She was using crutches, due to having been thrown off a horse while riding in Griffith Park, Los Angeles recently, and the person thought to be SIRHAN held the door for her while she went inside. He, as she recalled, wore a shirt opened at the collar, a dark wind-breaker type jacket with a collar and a zipper, and white tennis sneakers. Color of pants not recalled. He otherwise looked very much like the photographs.

About two hours later on June 2, 1968, she saw the person thought to be SIRHAN, when she was just outside the women's room door inside the headquarters and he appeared to be heading toward the door which leads to a side entrance of the headquarters. She did not see this person with anyone or talking with anyone during the time she observed him.

She had no recollection of ever seeing this person before and did not know who he may have been. When she later saw pictures of SIRHAN in the press and on television she thought she may have seen SIRHAN at the headquarters as related.

KHAIBAR KAHN on June 2, 1968, came into the headquarters around 3:00 p.m. She had learned from KHAIBAR that he had thought he had seen SIRHAN in the headquarters on election day, June 4, 1968, around 5:00 to 5:30 p.m. She was in the headquarters at that time on that date but had no recollection of seeing the person thought to be SIRHAN at that time. She also said she did not recall seeing any girl in the headquarters at any time wearing a polka dot dress.

KOUSHAN said there was a movie crew in the headquarters late in the afternoon of June 4, 1968, around 5:00 to 6:00 p.m., reportedly a Swiss group who were to do a film on American Political Campaigns. They were taking film shots of the whole area. Mrs. MARGARET SWEENEY who was in charge of the headquarters office could possibly identify this group.

Several of Mr. KHAN's children were in the campaign headquarters in Los Angeles as volunteer workers and were told by Mr. KHAN to bring friends to help out. Their friends would in all probability have been of Iranian descent as is Mr. KHAN's family. A daughter, SHIRIN and a son AMIR, who are both of high school age, a son SAHPOUR, age 11, were there on June 3, 1968, and another son PHILLIPE, employed by the Culver Theatre in Culver City was there on June 4, 1968. They and their friends were thought to have registered as having some connection with Mr. KHAN or from the residence of the KHAN children and his divorced wife at 10554½ Wilshire Boulevard, Los Angeles. Mr. KHAN is prominent in the Iranian colony in Southern California and has been openly opposed to certain policies of the Shah in Iran with respect to handling of U.S. Foreign Aid Program in Iran. In fact he could be considered a leader of the opposition to the Shah. Both JOHN F. KENNEDY and Senator ROBERT F. KENNEDY had been sympathetic to Mr. KHAN's program to aid the poor people in Iran receive fuller benefit of the U.S. Foreign Aid in that country. Hence, the political support of Mr. KHAN had given both of the KENNEDYS. In the

3
LA 56-156

opinion of KOUSHAN, about 90% of the 5,000 students from Iran now in colleges in California, were opposed to the policies of the Shah with respect to the foreign aid program.

Photographs of two brothers of SIRHAN, SHARIF BISARA SIRHAN, taken December 18, 1963, and of ADEL SIRHAN, taken June 5, 1968, were exhibited to KOUSHAN who had no recognition as far as ADEL's photo was concerned. She thought the photo although taken in 1963, of SHARIF somewhat resembled a young man who was among the volunteer drivers who were in the Senator KENNEDY Campaign Headquarters on June 4, 1968, around 3:00 p.m. Mrs. BERNARDINI (phonetic) and a man named BILL who handled the volunteer drivers could possibly resolve whether or not this person could have been SHARIF SIRHAN.

KOUSHAN related her recollection of a young man who she and Mr. KHAN had given a lift in their automobile on the evening of June 4, 1968, at about 8:00 p.m. She was sitting in the car near the campaign headquarters waiting for Mr. KHAN, when this young man, white, age about 22-23 years, 5'8" to 5'9", skinny build, reddish face, dark longish hair, carrying some rolled up campaign posters, came up to the car and asked if she were going to the Ambassador Hotel. When informed she was not but was heading to West Los Angeles area, he asked for a lift in that direction. She did not know this young man but he appeared to be a campaign worker so she agreed and he got in the back seat of the car. When Mr. KHAN came to the car the young man's presence was explained. This young man then wanted Mr. KHAN to give him a KENNEDY button he was wearing to enable the young man to get into the Senator KENNEDY Campaign Party at the Ambassador later that evening. When Mr. KHAN declined, he wanted Mr. KHAN to go back to the campaign headquarters and get him a button, press pass or something which would enable him to get into the KENNEDY party at the Ambassador. Mr. KHAN also declined this request in spite of a persistent attitude. The young man claimed to have been born in Manchester, England, of British parents and said his father was a salesman. He did not talk with a British accent. He furnished his name on a piece of paper as, MICHAEL WAYNE, 1430 South Hi Point Street, No. 105, Los Angeles, California 90035. He was let out of the car on Wilshire Boulevard, just

west of Westwood Boulevard, in West Los Angeles, shortly after 8:00 p.m. on June 4, 1968.

KOUSHAN said she would assist in identifying the Iranian voluntary workers at the KENNEDY Campaign Headquarters if it was desired.

MARYAM KOUSHAN, 1215 Ocean Avenue, Santa Monica, California, Apartment 206, telephone EX 3-0227, who was previously interviewed on June 11, 1968, advised the following:

MARYAM had previously advised that she had observed a person, who, based on a photographic identification, was SIRHAN SIRHAN. She had observed this individual when entering the Los Angeles Campaign Headquarters of Senator ROBERT F. KENNEDY, 5615 Wilshire Boulevard, Los Angeles, around 2:30 PM on June 2, 1968.

MARYAM had also previously examined a 1963 photograph of a brother of SIRHAN SIRHAN, SHARIF SIRHAN. She had stated that the photograph of this brother closely resembled an individual she had seen at the KENNEDY Campaign Headquarters around 3:00 PM on June 4, 1968. This person had been one of the volunteer drivers.

MARYAM was shown a current photograph of SHARIF SIRHAN. She voiced the opinion that the current photograph also strongly resembled the person she had seen in the KENNEDY Headquarters as a volunteer driver.

MARYAM also further examined a photograph of SIRHAN SIRHAN and said she still had the same opinion as previously given, that she had seen this person in the campaign headquarters on June 2, 1968. She also examined photographs of SIRHAN SIRHAN's other brothers, MUNIR and ADEL. She said she had no recollection of ever seeing either MUNIR or ADEL at any time.

MARYAM added that she had not attended the Senator KENNEDY Campaign Party at the Ambassador Hotel on the evening of June 4, 1968, and the morning of June 5, 1968.

MARYAM KOUSHAN said that she had used this spelling when registering at the Senator KENNEDY Campaign Headquarters

as a volunteer worker. This is the English spelling of her name, however, she is sometimes referred to under the American spelling of her name MIRIAM KUSHAN. She also said that approximately six months ago when she was thrown from a horse while riding in Griffith Park in Los Angeles and had been taken to the Los Angeles General Hospital by KHAIBAR KHAN with whom she was riding, she had been booked in the hospital under the name of ROSE KHAN. This had been done in view of the fact that she and Mr. KHAN are Iranian nationals and Mr. KHAN was the leader of the opposition to the Shah of Iran among Iranians in the United States. It was a security measure as Mr. KHAN was apprehensive of political and possibly physical reprisals as a result of his opposition to the Shah of Iran.

J. C. KHAN, a student who can be contacted through 10554½ Wilshire Boulevard, Los Angeles, California, telephone 475-1849, advised the following:

J. C. said that the initials did not stand for any names, that he was only known as J. C. He is the son of KHAIBER KHAN, an Iranian national who had worked at the Los Angeles Campaign Headquarters for Senator KENNEDY during the early part of June 1968. KHAIBER KHAN had been previously interviewed by the FBI regarding any knowledge he may have had of SIRHAN SIRHAN and his brothers.

J. C. said that he, himself, had not worked as a volunteer worker at the Senator KENNEDY Campaign Headquarters as some of his brothers and a sister had done. The only time that he went near the headquarters was when he drove a sister, MARYAM KOUSHAN, to the headquarters at 5615 Wilshire Boulevard, Los Angeles, on the early afternoon of June 3, 1968.

J. C. KHAN said, after viewing photographs of SIRHAN SIRHAN and his brothers, ADEL SIRHAN, MUNIR SIRHAN and SHARIF SIRHAN, that he had no recollection of ever seeing these individuals at any time and had never heard of SIRHAN SIRHAN or his family until the recent publicity given them.

J. C. said that he had not attended the Senator KENNEDY Campaign Party at the Ambassador Hotel on the evening of June 4, 1968, and the morning of June 5, 1968.

LAURENCE DAVID STRICK, also known as Larry Strick, 11930 Iredell Street, Studio City, California, telephone number TR 7-6151, a student at Hollywood High School in Los Angeles advised as follows:

Mr. STRICK said that for several days before the California Primary Elections on June 4, 1968, he had been a volunteer worker at Senator KENNEDY's Campaign Headquarters at 5615 Wilshire Boulevard, Los Angeles. He said that he had seen a young man at the KENNEDY Headquarters who he possibly believed to be SIRHAN SIRHAN who had been arrested for shooting Senator KENNEDY. He claimed that he had seen this young man on June 2, 1968, at about 2:00 p.m. and that this person had come into the headquarters and was standing by the front door at the same time a Mr. KHAIBAR KHAN, who had been doing some voluntary work at the KENNEDY Headquarters, was standing at the information desk which is located near the front door at the headquarters. Mr. KHAN had been bringing in a number of young people as volunteer workers, all of whom appeared to be descendants of people who resided in the Arabian countries of the Middle East. Mr. KHAN, himself, appeared that he may have been from the Middle East and reportedly was from Iran.

Mr. STRICK continued that he had asked the young man in question who was standing by the door on June 2, 1968 if he, STRICK, could help him, whereupon the young man replied, "No thank you. I'm with him" and pointed towards Mr. KHAN.

Mr. STRICK said that this young man was possibly around headquarters that afternoon but that this was the only time that he could recall seeing him.

Photographs of SIRHAN SIRHAN taken by the Los Angeles Police Department on June 5, 1968 were exhibited to Mr. STRICK who voiced the opinion they were photographs of the person who he believed to be identical to the aforementioned young man who was in the KENNEDY headquarters on June 2, 1968 at approximately 2:00 p.m.

Mr. STRICK said that he had, since the shooting of Senator KENNEDY, discussed the possibility of SIRHAN SIRHAN having been in the KENNEDY Headquarters, with Mrs. ELLENORE SEVERSON who had been on the information desk at the headquarters at the time and they both had been of the opinion that there was a strong possibility that SIRHAN SIRHAN had been in the headquarters and that he might possibly be known to Mr. KHAN.

STRICK said that Mr. KHAN appeared to be a man 50 years of age, five feet ten inches in height, stocky build, dark hair, fairly dark complexion, large forehead, wore "snappy clothes" and had a plaster cast on one arm.

Mr. STRICK noted that a young girl on crutches had been in the company of Mr. KHAN on one or two occasions between June 2, 1968, and June 4, 1968, at the KENNEDY Headquarters. She had no cast on her leg which appeared to be normal in appearance and on one occasion she came in alone. It was noted that she was driving a blue car of the Camaro type which had a large KENNEDY sticker on the side. She appeared to be in her early 20s, five feet three inches in height, fair complexion, dark hair, slight build.

Mr. STRICK related that he had learned from Mrs. SEVERSON that an itinerary sheet for Senator KENNEDY for June 2, 1968 had turned up missing. There was suspicion that maybe Mr. KHAN had taken it as he was known to have been standing near her desk just before it had been missed.

Mr. STRICK said that all of the voluntary workers brought in by Mr. KHAN reportedly furnished the same address as Mr. KHAN but he could not identify them. He was of the opinion that their names would be on the registrations of volunteer workers in the KENNEDY Headquarters.

Mr. STRICK examined a photograph of SHARIF BISHARA SIRHAN, taken December 18, 1963, and of ADEL SIRHAN, taken June 5, 1968, both brothers of SIRHAN SIRHAN. Mr. STRICK said he had no knowledge of seeing anyone resembling either of these brothers around the Senator KENNEDY Campaign Headquarters or elsewhere.
