Re: Sihan Sirhan
Employer: Granja Vista Del Rio

Dear Sirs:

The above named patient was again seen by me today, October 26, 1966, with complaints of diminished field of vision of left eye. We had thought that he was progressing very well considering the seriousness of his accident, when we last saw him on October 6, 1966, consequently, we sent you a final bill on the same date. Since this problem with his vision has arisen, we are writing to you for permission to refer him to Dr. Nilsson, M.D. ophthalmologist. We would appreciate hearing from you as soon as possible.

Thanking you very kindly, I remain

Sincerely,

Richard A. Nelson, M.D.

Re: Mr. Sirhan Sirhan

Gentlemen:

Mr. Sirhan came to this office on February 21, 1967, having been referred to me by Dr. Milton A. Miller of Ontario. The history of the case as I received it from the patient is briefly as follows:

The patient exercised the horses at the Granja Vista Del Rio ranch in Corona. On September 24, 1966, he was thrown from his horse and suffered injuries around the left eye. He thinks he was unconscious for a brief time. He was seen at the Corona hospital by a Dr. Richard Nelson and the wounds around the eye were sutured. In addition to the wound around the eye he had a wound under the chin. This was also sutured. Four days later the sutures were removed. He suffered a brief injury again a few days after the initial injury and the wound edges separated a little bit. He was unaware of any eye problems until he began exercising the horses again. He noticed at this time that he had to move his head from left to right in order to see well on either side. This loss of side vision has definitely improved but he still has some difficulty. This is especially noticeable in the left eye. Because of his eye complaints he was referred to a Dr. Nelson of Corona and following this Dr. Milton A. Miller of Ontario. I do not have Dr. Miller's reports so I am unaware of exactly what his findings were. At the present time Mr. Sirhan's complaints primarily are as follows:

He notices that he has some twitching of the eyelid when he looks to the left. This involves the left eyelid primarily. He also has the same type of twitching when he wrinkles his forehead or makes facial movements. He has had no subsequent unconscious attacks, no dizziness, no weakness of either arms, hands, legs or feet. He complains of a persistent pain in the superior nasal aspect of the left orbit. My examination was as follows:

His vision was found to be 20/20 in either eye uncorrected. He had no significant refractive error. Extraocular muscles were found to be intact,

the pupils were round, were regular, and reacted well to light and accomodation. The patient's eyes were dilated and an examination of the fundus was performed. No significant abnormalities were found. Examination was performed both with the direct and indirect ophthalmoscope. Slit lamp examination showed no flare or cells in either eye. Both lenses are clear and the media appeared clear. Visual field examination indicates a full field with a moderate amount of general constriction in the left field. This constriction is inconstant. The patient's wounds are well healed, however there is a persistent tenderness over the superior orbital ridge medially and there is a small amount of fullness in this area remaining. The tenderness is medial to the supra-orbital notch and is apparently aggravated when the patient looks both to the left and upward to the left. There is a fibrotic band extending from this general area downward to the area just below the lower canthal ligament. He claims that this makes him have a rather tight sensation when he looks to the left. I could demonstrate no abnormal diplopia, in fact my findings are remarkably negative with the exception of the tenderness and the subcutaneous band which I mentioned. At the present time, I do not feel like operating on the area which is described, and releasing this band. I feel that we should wait for a period of about one month yet. At the time of releasing this subcutaneous band I believe it would be advisable to investigate the original wound area for the possibility of a foreign body reaction giving him the persistent pain which he feels and is described above. X-Rays ordered by me have indicated no evidence of a foreign body, no evidence of any fractures in and about the orbit, and said X-Rays are essentially negative. The X-Rays were taken by Dr. Robert Freeman, of this address. I shall see Mr. Sirhan again and repeat visual field tests to make sure that there is no recurrent abnormality. Inasmuch as he was unconscious and had not been seen by a neurologist or a neurosurgeon I believe it would be advisable to have him seen by a neurosurgeon to rule out any damage to the brain that might have occurred at the time of this injury. I have usually referred my patients to a Dr. Robert Fiskin, of 960 E. Green St., Pasadena. He is a well-qualified neurosurgeon and if you have no objection I would respectfully request your referral of Mr. Sirhan to Dr. Fiskin for such an evaluation.

I trust this will give you an up-to-date accounting of Mr. Sirhan's problems.

Sincerely,

E. Gordon Kiehn, M.D.

Mrs. NELL GORIS, 675 East Howard Street, Pasadena, California, furnished the following information:

She has resided at that address for approximately seven years. She is acquainted with Mrs. MARY SIRHAN who has resided in the neighborhood for approximately the same period of time. She was not acquainted with the sons of MARY SIRHAN on an individual basis, but it was her recollection that there were two sons who resided with her, one of which she believed to be SIRHAN SIRHAN, and two or three other sons who lived in an apartment in the area and who came and had supper with the mother and other members of the family in the evening.

Mrs. MARY SIRHAN visited in her residence on one or two occasions, and their acquaintance came about through her husband, Mr. GORIS, who, for a period of time, worked at the Westminster Presbyterian Church located on Lake Avenue in Pasadena, where Mrs. MARY SIRHAN was employed at the Westminster Nursery School. Her husband is currently employed at the Pasadena Humane Society. It was her recollection that the SIRHANS had a close family relationship, and the two SIRHANS who resided with the mother, one of which she believed was SIRHAN SIRHAN, were always well dressed and neat in their appearance while attending school in the area. Her acquaintanceship with Mrs. MARY SIRHAN and her family was very limited, however, an acquaintance, Mrs. THEODORA VON AMERSFOORD was employed at the Westminster Nursery School with Mrs. MARY SIRHAN, the mother of SIRHAN SIRHAN, and she may have some more personal knowledge of the family and their activities. She stated that another neighbor had related to her that Mrs. SIRHAN was extremely worried at one time, approximately two years ago, shortly after she lost her daughter, who lived in Palm Springs, California, when SIRHAN SIRHAN left the residence, and Mrs. MARY SIRHAN did not know his whereabouts for quite sometime. He later returned home, and

Mrs. SIRHAN indicated that he had lived with a group of boys and girls during the time that he was away from home. She identified the neighbors who related this to her as Mrs. WENSINK, 804 East Howard Street, Pasadena, California. She related that DAVID HENDRICKSON formerly resided at 681 East Howard until approximately two years ago, and they had moved to 612 Coleman, Pasadena, California. Their children were younger than the members of the SIRHAN family, however, she did occasionally see the members of the SIRHAN family playing ball with the son of DAVID HENDRICKSON who is graduating from John Muir High School at this time. She had no information concerning the employment or acquaintances of SIRHAN SIRHAN and was not familiar with his most recent day to day activity.

Date June 7, 1968

On June 5, 1968, JAMES EDWARD BURN, Associate Pastor, Community Methodist Church, 918 West Avenue J, Lancaster, California, telephone number 942-0419, stated he presently resides at 214 East Nugent, Lancaster, telephone 942-4050.

BURN said he was formerly a Baptist Pastor and served as Associate Pastor under Pastor CHARLES BELL, First Baptist Church of Pasadena, 75 North Morengo Avenue, Pasadena. He resided at 743 East Howard Street, Pasadena, from about 1960 - 1965, during which time he was acquainted with the SIRHAN family.

BURN stated to the best of his recollection, Mrs. MARY SIRHAN and her children came to the United States from Jerusalem in about 1960. The father, name unknown, remained in Jerusalem as he and MARY apparently had marital problems. BURN said the only sons he can recall were named SAIDALLAH, SHARIF, and the younger son SIRHAN. He said he believes there was a daughter who came to the United States with them but he is not certain of her name. It may have been MARY, however, she did not reside with the family in Pasadena.

BURN said he knew the family through his church, as the mother was a member and faithful in church attendance. He also saw them in the neighborhood as the SIRHAN family resided at 1647 North Lake and later at 696 East Howard, which was near his own residence.

During the time he knew SIRHAN SIRHAN, he had several talks with him regarding belief in God. SIRHAN appeared to be a very intense atheist and could see no logical reason to believe in God. BURN stated SIRHAN also attended John Muir High School, Pasadena, during that period and was about a sophomore. He appeared to be very close to one of the high school teachers who furnished him with a great deal of literature to substantiate his beliefs in atheism. BURN said he does not know the name of this teacher but recalls that SIRHAN considered him an authority on almost all subjects

and perhaps associated with him as a substitute for his father. He said at the time he attempted to communicate with SIRHAN, he felt SIRHAN was receiving adult orientation, as many of his arguments were those used by adults.

BURN said the boys all seem to have a bitter attitude toward life, with the feeling that the world owed them a living. This was due in part to the resentment they had for their father who did not come with them to the United States.

He advised further that he did not recall any of the boys belonging to any organizations in the community. SIRHAN may have been a member of some club, but it would have been connected with John Muir High School.

BURN said the mother was employed by the Westminster Presbyterian Church near their residence. She worked in child care with the pre-school children. SHARIF-SIRHAN was employed off and on as a painter and he said he cannot recall where SAIDALLAH was employed.

The SIRHAN family were close friends with the (First name unknown) MOKHTARIAN family who resided near them on Elizabeth Street in Pasadena. BURN said he believes the two families were related in some manner.

Dr. CHARLES R. BELL, JR., Pastor of the First Baptist Church of Pasadena, 75 North Marengo Avenue, telephone SY 3-7164, home telephone SY 4-4441, was contacted at the Church where he advised the following:

He recalled the SIRHAN family as having attended his church in the early 1960s. He could not recall exactly when the family started to attend church, but stated that the mother and three or four of the children then appealed to the Church to bring two other children to the United States from their home country. The other two children were SHARIF and SAIDALLAH SIRHAN. He thought that the other members of the family had been brought to the United States by a Seventh Day Adventist group. The family attended church regularly including various club functions of the Church, but the family never officially joined the Church.

BELL got SHARIF SIRHAN an accounting job with the Southern California Baptist Convention in Los Angeles and SHARIF was employed there for over a year when he was dismissed due to his allegedly placing a bomb in his girl friend's car. The SIRHAN family felt that Pastor BELL had SHARIF dismissed from his job when, in fact, BELL had no connection with the dismissal. He stated he tried to reason with the family to no avail and shortly thereafter the family stopped coming to church.

Of all the members in the SIRHAN family BELL had the least contact with SIRHAN SIRHAN and believes when SIRHAN SIRHAN was coming to the Church he was in his mid-teens. BELL personally believed the entire family was unstable probably due to the fact that the father more or less cut all ties with the family and the youngsters had no fatherly guidance. BELL stated he knew of no present or past member of the Church who was close to the SIRHAN family and who could offer any information concerning them.

When asked concerning a family by the name of MOKHTARIAN, BELL advised there was an ALEX and DEBORAH MOKHTARIAN who attended the Church around the same time as the SIRHAN family. He said he was not familiar with anyone by the name of HECTOR MOKHTARIAN nor did he know if the MOKHTARIAN family lived on Elizabeth Street in Pasadena. He said that approximately five years ago one of the sons of ALEX and DEBORAH MOKHTARIAN, who was an alcoholic, took his own life. Shortly after this ALEX and DEBORAH MOKHTARIAN were divorced and he believes that neither one still lives in the Pasadena area. He said there is a large clan of this family, but he believed that the children were by another man and, therefore, have another name which he could not recall.

BELL added that when hearing on the radio that SIRHAN SIRHAN was possibly involved with the shooting of ROBERT F. KENNEDY, he immediately telephoned Captain CARL LINDHOLM, a personal friend who is a member of the Pasadena Police Department and told LINDHOLM that he knew the SIRHAN family in the event he could be of any help in dealing with members of the family.

GEORGE A. MATAS, Business Administrator for the Southern California Baptist Convention, 16 South Figueroa Street, Los Angeles, telephone 623-3313, was contacted at his office where he advised the following:

SIRHAN SIRHAN is not now nor has he ever been associated with the Southern California Baptist Convention, however, his brother, SHARIF BISHARA SIRHAN, was employed there for approximately 1½ years, leaving that employment in December, 1963. SHARIF had been doing accounting work, but his attitude toward his work and his accuracy had deteriorated a great deal and he left their employment by mutual agreement.

MATAS recalled that SHARIF was sponsored into the United States as a refugee by another family in Pasadena, California. This family was a member of the First Baptist Church of Pasadena, 75 North Marengo Avenue, Pasadena and records concerning this family might possibly still be located at the church. His records reflect that the Social Worker connected with SHARIF was a Miss MILDRED CUMMINGS, 623A Irving Street, Alhambra, California.

MATAS stated he knew that SHARIF had a younger brother by the name of SIRHAN, but he never met SIRHAN nor heard SHARIF or anyone else make any comments concerning SIRHAN. MATAS could not recall any statements by SHARIF that he or other members of his family were at all disenchanted with life in the United States or with the administration of the United States Government.

Date 6/8/68

GAYMOARD MISTRI, 825 East Delmar Street, Pasadena, California (Phone SY 6-7449), advised that he came to the United States from Bombay, India, five years ago. He related that he attended Pasadena City College (PCC), Pasadena, California, for two years after which he transferred to the Western State College of Engineering (WSC) at Inglewood, California. He studied there for two years and was graduated one week ago with a degree in Engineering. MISTRI explained that he is presently unemployed and in the process of seeking a job after obtaining his degree. He thereafter furnished information as follows:

In 1962 or 1963, MISTRI was attending PCC and belonged to a social club called the Foreign Students' Group. This club was for all foreign students on campus. Through the club, he developed speaking acquaintances with various other foreign students, one of whom was SIRHAN SIRHAN. MISTRI explained that their relationship was that of "casual acquaintances" and noted that he never knew SIRHAN by name until he was identified through the press as being the assassin of Senator ROBERT F. KENNEDY. He pointed out that their sole relationship was that of speaking to each other on campus or having coffee where other foreign students gathered. MISTRI recalled, however, that SIRHAN always called him "MISTRI."

MISTRI further explained that he continued to reside in Pasadena while attending WSC and would often eat or attend social functions on campus at PCC. On some occasions, he would see SIRHAN but estimates that in the last three years he has not seen him over four or five times.

In late March, 1968, MISTRI saw SIRHAN at the Santa Anita Racetrack, Arcadia, California. They talked for only a few minutes, and the conversation was mainly about the races. He recalled that SIRHAN asked about some mutual acquaintances and asked how MISTRI was doing. He noted that they talked for only three to five minutes.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

On June 4, 1968, at approximately 6:10 p.m., MISTRI entered Bob's Big Boy Restaurant, 1616 East Colorado Boulevard, Pasadena. The restaurant is adjacent to the campus at PCC. MISTRI sat at the counter for approximately ten minutes after which SIRHAN entered the restaurant, recognized him and joined him at the counter. After greeting him, SIRHAN asked MISTRI to join him for dinner and stated, "The meal is on me." After MISTRI declined the offer, SIRHAN took MISTRI's check for coffee. After a few minutes of non-specific conversation, MISTRI began reading a newspaper which carried a caption concerning the Israeli-Jordan situation. SIRHAN noted the caption and said words to the effect of "things are wrong there." However, MISTRI did not pursue the conversation, and SIRHAN made no further comments concerning Israel, Jordan, or any other political situation or figure. SIRHAN's meal was served, and the remainder of the conversation was of horse racing, about which both had a mutual interest.

When SIRHAN finished his meal and paid the checks, he asked MISTRI where he was going. When MISTRI informed him that he was going to the PCC campus, SIRHAN stated, "I think I'll come with you."

They then walked to the campus cafeteria, during which time they again talked of horse racing. Upon entering the cafeteria, SIRHAN observed four Arab students whom he immediately approached. He introduced himself and MISTRI, after which a conversation ensued in Arabic. MISTRI recognized one of the students to be MOROOF BADRAN (phonetic), whose address MISTRI furnished from an address book as 5733 Benner Street, Apartment 7, Highland Park, Los Angeles. He did not recognize the other students. BADRAN and the other students then departed the cafeteria to attend a 7:00 p.m. class, and MISTRI and SIRHAN sat at another table.

MISTRI initially stated that inasmuch as they had just left the restaurant, he did not care for coffee, but at SIRHAN's insistence he ordered hot chocolate. A casual and non-specific conversation then began, during

3
LA 56-156

which time, SIRHAN began toying with a small metal object which he held in his hands. When MISTRI asked what the object was, SIRHAN advised that it was something connected with a gun or bullet. MISTRI explained that SIRHAN told him what the object was but noted that he cannot now recall exactly what it was. He noted, however, that he is sure that it was connected with guns or bullets and stated that his impression is that it was a spent slug of a bullet which had been fired from its casing and subsequently recovered.

A detailed interview with MISTRI and an examination of a .38 caliber bullet failed to clarify exactly what type of object MISTRI had seen. He concluded, however, that he feels that it was a spent slug of a smaller caliber than the .38 caliber bullet displayed for clarification purposes.

After MISTRI inquired about the above mentioned object, he asked SIRHAN if he was a hunter. SIRHAN replied that he had hunted on occasion but noted that he was just learning about the sport. However, MISTRI noted that he then asked SIRHAN an unrecalled question about rabbit hunting and pointed out that, judging from the conversation that followed, he formed the opinion that SIRHAN had little or no knowledge about hunting or firearms.

Shortly thereafter, they departed the cafeteria and began walking to a campus parking lot where each had a car parked. While walking toward the lot, SIRHAN observed a new campus building and noted that the new building stands on what was a vacant lot when they attended PCC. SIRHAN then, referring to the time when they attended PCC as students, said words to the effect of, "That was a beautiful time ... when the political situation was better." MISTRI noted that he felt that the statement was odd and did not exactly understand it; however, inasmuch as he did not wish to continue the conversation, he made no comment and neither did SIRHAN.

While walking toward the lot, they came to a newspaper rack, from which MISTRI purchased a Preview Edition of the "Los Angeles Times." When SIRHAN stated that he also wanted a paper, MISTRI told him not to purchase one inasmuch as he, MISTRI, wanted only the classified ad section for job hunting purposes. MISTRI then took the classified ad section and gave the remainder of the paper to SIRHAN. MISTRI does not recall seeing SIRHAN look at the paper.

As they approached their vehicles in the parking lot, SIRHAN asked MISTRI if he wanted to shoot pool. After MISTRI declined, SIRHAN lingered for a few moments talking about mutual friends. MISTRI recalled that SIRHAN asked such questions as how former students were getting along and how many children they now have.

As they entered their respective vehicles, MISTRI recognized that SIRHAN entered the same vehicle which he had when they attended PCC. He described the vehicle as an older model Chrysler product which was pink in color. MISTRI departed the lot first and did not observe the direction in which SIRHAN drove away. MISTRI estimated the time to be 7:15 to 7:30 p.m.

MISTRI could not recall the clothing worn by SIRHAN, other than he was not dressed in a coat or tie and wore a shirt and trousers.

MISTRI concluded by noting SIRHAN made no comment about Senator ROBERT F. KENNEDY, the current political situation, or the primary election being held in California. Further, he stated that SIRHAN gave no indication of emotional instability or any type of contemplated violent act. MISTRI further noted that when SIRHAN asked him to go shoot pool, there was no time limit suggested. He further stated that it was his opinion that SIRHAN appeared to be lingering with nothing to do and was seeking his company. He noted, however, that no time limit was suggested about shooting pool, inasmuch as he refused SIRHAN's offer outright.

On June 6, 1968, a neighborhood investigation was conducted on Hamner Avenue in Norco, California, in an effort to locate the prior residence of SIRHAN SIRHAN. The only motel located in that area is the Highlander Motel operated by a Mrs. VALENTINE. She made available the records for June through December of 1966. She stated she was not at this motel at that time. There was no registration shown for a SIRHAN SIRHAN. It was noted that in Apartment 3 (someone had commented they believed that SIRHAN stayed in Apartment 3) an EDWARD VAN ANTWERP resided here during June and part of July, 1966. Thereafter, it was occupied by PAUL PALOUS.

On June 6, 1968, Mrs. IDA ROWND at 1880 West Fifth Street, Norco, California, advised that she believed that SIRHAN SIRHAN had resided for about four or five months in one of the small houses that she rents at 1850 West Fifth Street in Norco. She advised that he had never paid the rent or rented this place in his name, but she believed that he lived there with EDWARD VAN ANTWERP who was the brother of Mrs. TAYLOR of Taylor Rentals, which was located on Hamner Avenue. Mrs. ROWND said she did not recall anything about SIRHAN.

On June 6, 1968, ORA TAYLOR of Taylor Rentals, 3336 Hamner Avenue in Norco, advised that his wife's brother was EDWARD VAN ANTWERP and that he had recently been residing at 1184 Fourth Street in Norco. He lives there with a JEANNE GREEN who is now using the last name of VAN ANTWERP. He advised that EDWARD was an alcoholic and that he had helped him on many occasions. He said he recalled that in the fall of 1966 and also in the late summer of 1966, EDWARD had lived in the small house owned by Mrs. ROWND. Just prior to that he had lived in the Highlander Motel. He said he did recall a young man known as SAUL, and he believes his last name was SIRHAN, living with EDWARD. He advised that EDWARD has been working for Thermal Chemergy in the Chino area for about six months. He advised that EDWARD had been "dry" for about six months, but that on Tuesday, June 4, 1968, after EDWARD had reported for work, that he had disappeared and his wife, Mrs. TAYLOR, and EDWARD's wife,
